BOARD OF DIRECTORS AND KEY MANAGERIAL PERSONNEL:

Mr. Jay Shankar Shukla (DIN: 03121099), Director

Mr. Murtuza Kakuji (DIN: 08959504), Director

Ms. Nidhi Singhania (ACS-32805), Company Secretary & Compliance Officer

AUDITORS:

Statutory Auditor:

**M/s. Deloitte Haskins & Sells LLP,
Chartered Accountants**

Address: 10th Floor, Building 10, Tower B,
DLF Cyber City Complex,
DLF City Phase-II, Gurgaon- 122001

Secretarial Auditor:

**M/s Deepak A. Variya & Co.,
Practicing Company Secretaries**

Address: Office No. 305, Kaveri Commercial
Premises, Co-op. Soc Ltd, Third Floor,
Sakinaka, Mumbai- 400072

Cost Auditor:

M/s HCB & Co., the Cost Accountants

Internal Auditors:

M/s Grant Thornton Bharat LLP

REGISTRAR & TRANSFER AGENT:

Linkintime India Private Limited

Address: C 101, 247 Park, L B S Marg,
Vikhroli (West), Mumbai- 400083
Phone: +91 022- 49186000

DEBENTURE TRUSTEE:

Catalyst Trusteeship Limited

Address: 810, 8th Floor, Kailash Building 26,
Kasturba Gandhi Marg, New Delhi - 110001
Phone: +91 (11) 43029101

NOTICE

NOTICE is hereby given that the 10th annual general meeting of the members of Clean Sustainable Energy Private Limited (“the Company”) will be held on Friday, September 29, 2023 at 1.00 p.m. at 406, 4th Floor, Hubtown Solaris, N. S. Phadke Marg, Andheri (East), Mumbai – 400069, to transact the following business:

ORDINARY BUSINESS:

1. To receive, consider and adopt the audited annual financial statements of the Company for the financial year ended March 31, 2023 together with the Reports of the Board of Directors and the Auditors’ thereon.

SPECIAL BUSINESS:

2. To ratify remuneration of M/s HCB & Co., the Cost Accountants as the Cost Auditors of the Company for the Financial Year 2023-24:

To consider and if thought fit, to pass, with or without modification(s), the following resolution as an **Ordinary Resolution**:

“**RESOLVED THAT** pursuant to the provisions of Section 148 and other applicable provisions of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014 including any statutory modification(s) or re-enactment(s) thereof, for the time being in force, the members of the Company hereby ratify the remuneration of Rs. 30,000/- (Rupees Thirty Thousand Only) payable to M/s HCB & Co., the Cost Accountants, (Firm Registration Number-000525), who has been appointed by the Board of Directors as the Cost Auditors of the Company to conduct the audit of the cost records of the Company for the Financial Year 2023-24.

NOTES:

- 1. A MEMBER ENTITLED TO ATTEND AND VOTE AT THE ANNUAL GENERAL MEETING IS ENTITLED TO APPOINT ONE OR MORE PROXIES TO ATTEND AND VOTE INSTEAD OF HIMSELF/HERSELF AND THE PROXY NEED NOT BE A MEMBER OF THE COMPANY.**

Proxies, in order to be effective, should be duly stamped, completed, signed and deposited at the Registered Office of the Company not less than 48 hours before the meeting.

2. Corporate Members intending to send their authorized representatives to attend the Meeting are requested to send to the Company a certified true copy of the Board resolution authorizing their representative to attend and vote on their behalf at the meeting.
3. An explanatory statement pursuant to Section 102 of the Companies Act, 2013 relating to the Special Business to be transacted at the annual general meeting in respect of Item no. 2 is annexed hereto and forms part of the Notice.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 (1) OF THE COMPANIES ACT, 2013

As the turnover of the Company during the financial year ended March 31, 2023 had exceeded Rs. 50 crores, in accordance with the provisions of Section 148 of the Companies Act, 2013, read with the Companies (Cost Records and Audit Rules) 2014 and other applicable provisions of the Companies Act, 2013, the Board of Directors in their meeting held on May 25, 2023 had approved the re-appointment of M/s HCB & Co., the Cost Accountants as the Cost Auditors for the financial year ending March 31, 2024 at an annual remuneration of Rs. 30,000/- (Rupees Thirty Thousand Only).

Further, in accordance with the said provisions of the Companies Act, 2013 and rules thereunder, the remuneration payable to the Cost Auditors as approved by the Board, needs to be ratified by the members of the Company.

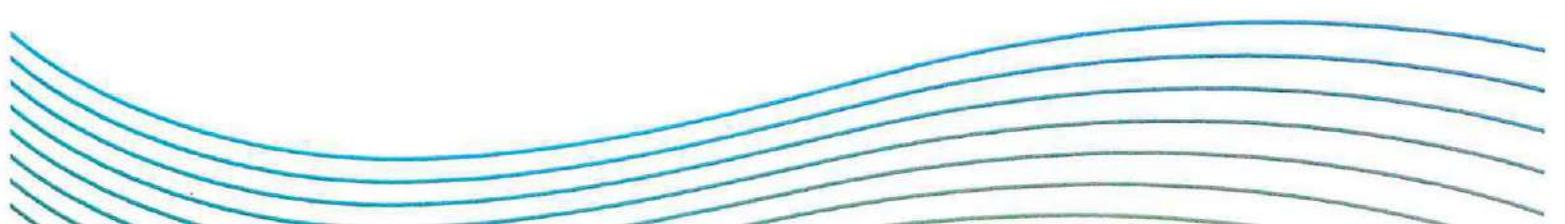

Accordingly, ratification by the members is sought for the remuneration payable to the Cost Auditors for the financial year ending March 31, 2024 by approving the passing of an ordinary resolution as set out at Item No. 2 of the Notice.

None of the Directors or Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution.

**By Order of the Board
For Clean Sustainable Energy Private Limited**

Signature of Proxy holder(s)

Notes:

This form, in order to be effective, should be duly stamped, completed, signed and deposited at the registered office of the Company, not less than 48 hours before the commencement of the meeting.

Notwithstanding the above the Proxies can vote on such other items which may be tabled at the meeting by the shareholders present.

BOARD'S REPORT

To
 The Members,
Clean Sustainable Energy Private Limited ("the Company")

Your Directors have pleasure in presenting the 10th Annual Report together with the Audited Financial Statements of the Company for the financial year ended March 31, 2023 as under:

Financial Results and Business Review:

A summary of the comparative financial performance of the Company for Financial Years 2022-23 and 2021-22 is presented below:

(Amount in INR Millions)

Particulars	Financial Year ended	
	31/03/2023	31/03/2022
Revenue from Operations	637.86	639.31
Other Income	89.99	53.30
Total Income	727.85	692.61
Less: Expenditure	92.88	206.81
Profit before Depreciation, Interest and Tax	634.97	485.80
Less: Depreciation and amortization expenses	202.03	202.01
Less: Interest on external borrowings	242.10	280.60
Profit before exceptional and extraordinary items	190.84	3.19
Less: Exceptional and extraordinary items	-	-
Profit/(loss) before Tax (PBT)	190.84	3.19
Tax Expense		
(i) Current Tax	-	-
(ii) Deferred Tax	50.21	14.06
(iii) Income tax earlier year	-	-
Net Profit/(Loss) after Tax (PAT)	140.63	(10.87)

The Company has 100 MW (AC) Solar PV Power Project operational at Bhadla Solar Park, District Jodhpur, in the State of Rajasthan. The Company's revenue from operations during the year was INR 637.86 millions as compared to revenue from operations of INR 639.31 millions in the previous year.

Further, profit before tax of the Company was INR 190.84 millions as compared to the profit before tax of INR 3.19 millions in the previous year.

Whereas, net profit after tax was INR 140.63 millions as compared to net loss after tax of INR 10.87 millions in the previous year.

Dividend:

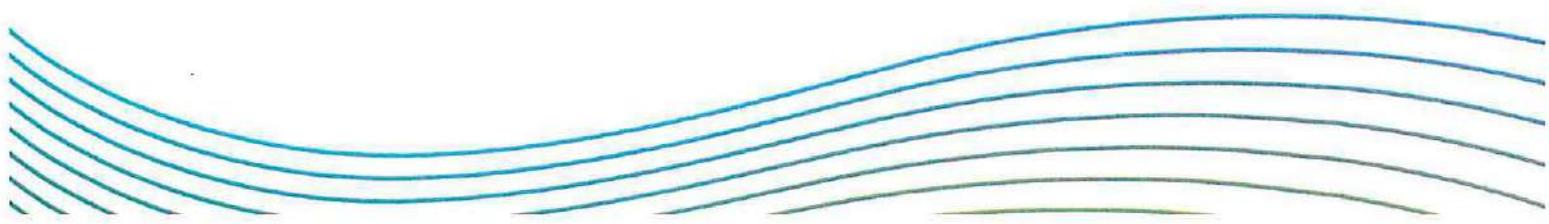

To strengthen the financial position of the Company and to augment working capital, your directors do not recommend any dividend for the year ended March 31, 2023.

Reserves:

The Company do not wish to transfer any amount of its profits earned during the year to any specific reserves and wishes to plough back the profits for growth of the Company.

Renewable Energy Outlook:

India's renewable sector continues to grow driven by policy focus on clean energy resources with about 90% of capacity additions in 2022 coming from renewables. There were more than 70 GW renewable projects in pipeline in different stages of development as of the end of 2022. Implementation of low-emission strategies will be the priority for 2023, including the carbon market framework. The Indian renewable energy sector is the fourth most attractive renewable energy market in the world. India was ranked fourth in wind power, fourth in solar power and fourth in renewable power installed capacity as of end of 2022.

In line with Prime Minister's announcement at COP26, Ministry of New and Renewable Energy is working towards achieving 500 GW of installed electricity capacity from non-fossil sources by 2030. India's announcement that it intends to achieve net zero carbon emissions by 2070 and meet 50% of its electricity needs from renewable sources by 2030 marks a historic point in the global effort to combat climate change.

With the increased support of the Government and improved economics, the sector has become attractive from an investors perspective. As India looks to meet its energy demand on its own, which is expected to reach 15,820 TWh by 2040, renewable energy is set to play an important role.

While renewables supply chain issues continue to impact project costs and pipeline growth, the requirement of Approved List of Models and Manufacturers (ALMM) as imposed by the Ministry on upcoming Solar projects has turned out to be a major bottleneck in terms of capacity addition planning by the RE Developers in the Sector. The Government has prudently announced and given extension of time for RE projects with commissioning timeline upto March 31, 2024 and at the same time, the requirement of ALMM Compliances was also kept in abeyance for FY 2023-24.

Market Size for Renewable Energy in India:

Programme/Scheme wise Cumulative Physical Progress as on April, 2023		
Sector	FY- 2022-23	Cumulative Achievements (as on 30 th -April-2023)
	Achievements (April 2023)	
I. Installed RE Capacity (CAPACITIES IN MW)		
Wind Power	234.95	42868.08
Solar Power	297.53	67077.88
Small Hydro Power	0.00	4944.30
Biomass (Bagasse) Cogeneration	0.00	9433.56
Biomass (non-bagasse) Cogeneration	0.00	814.45
Waste to Power	0.00	248.14

Waste to Energy (off-grid)	52.29	305.89
Total	532.48	1,25,692.30

Installed renewable power generation capacity has gained pace over the past few years, posting a CAGR of 15.92% between FY16-22. India is the market with the fastest growth in renewable electricity and by 2026, new capacity additions are expected to double.

As of March 2023, India's installed renewable energy capacity (including hydro) stood at 172 GW, representing 41.34% of the overall installed power capacity.

The country is targeting about 450 Gigawatt (GW) of installed renewable energy capacity by 2030 – about 280 GW (over 60%) is expected from solar.

Solar power installed capacity has increased by more than 18 times, from 2.63 GW in March 2014 to 67 GW at the end of March 2023.

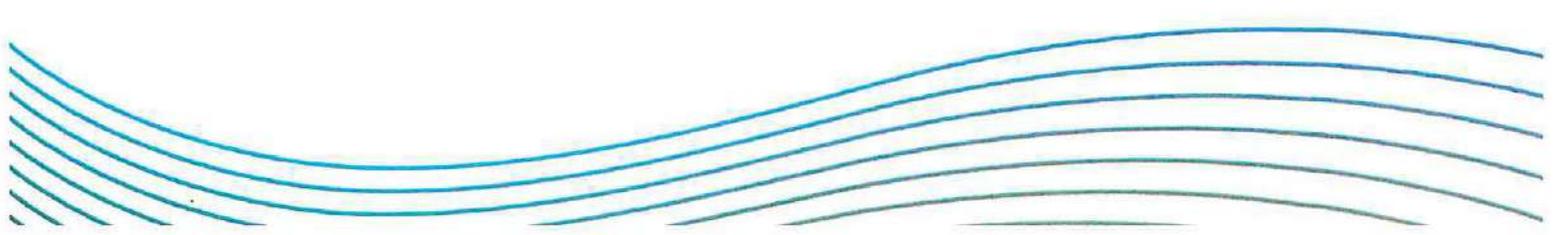

With a potential capacity of 363 GW and with policies focused on the renewable energy sector, Northern India is expected to become the hub for renewable energy in India.

Government initiatives:

In the Union Budget 2022-23, the government allocated Rs 19,500 crore for a PLI scheme to boost manufacturing of high-efficiency solar modules.

Under the Union Budget 2022-23, the government allocated US\$ 885 million (Rs. 7,327 crore) for the solar power sector including grid, off-grid, and PM-KUSUM projects. Further, the government has announced the issuance of sovereign green bonds, as well as conferring infrastructure status to energy storage systems, including grid-scale battery systems.

Some initiatives by Government of India during the review year to boost India's renewable energy sector are as follows:

Electricity (Promoting Renewable Energy through Green Energy open Access) Rules, 2022:

For unshackling the RE Sector, i.e. to remove barriers in availability and utilisation of RE and to address the issues that have hindered the growth of open access for a long time, Green Open Access Rules, 2022 have been issued. The Rules reduces the Open Access limit from 1 MW to 100 kW, which pave the way for small consumers also to purchase RE and there is no limit for Captive Consumers.

Any consumer can demand supply of Green power from DISCOMs. It will allow Commercial and Industrial Consumers to purchase RE on voluntarily basis. The Rules will streamline the Open Access approval process including timely approval, transparency, simplification. Approval of open access to be granted in 15 days or else it will be deemed to have been approved. The special provisions for cross-subsidy surcharge, additional surcharge, standby charge as well as for banking, will incentivise the consumers to get Green Power at reasonable rates. As per these Rules, the tariff for the green power will be determined by the Appropriate Commission, separately. For promoting Green Hydrogen/Green Ammonia and Waste to Energy Plants, Special concessions are given in the rules. POSOCO has been notified as Central Nodal Agency to set up and operate a single window green energy open access system for renewable energy.

As mandated under these Rules to operationalise green open access, a web portal has been designed and developed by POSOCO and launched on November 11, 2022. This portal will facilitate as a single platform for submitting and approval of applications for open access. This will ensure faster and easier open access for utilising green energy by all stakeholders. Further, as mandated under these Rules Forum of Regulators has formulated a model-regulations on methodology for calculation of open access charges, as well as banking charges.

Developing Energy Storage for RE Expansion-Notification of BESS Guidelines:

Keeping in the view the need of large scale RE integration with the grid and achieving a smooth energy transition, Ministry of Power has notified Bidding Guidelines for Procurement and Utilization of Battery Energy Storage Systems on March 11, 2022. Based on the above BESS bidding Guidelines, a pilot project on

1000MWh Battery Energy Storage System (BESS) has been awarded based on transparent bidding.

One Sun, One World, One Grid (OSOWOG):

Ministry of Power constituted Task Force on OSOWOG for steering the agenda for OSOWOG. The Task Force studied techno-economic feasibility of interconnection of regional grids viz. South East Asia, South Asia, Middle East (Gulf Cooperation Council), Africa & Europe for exchange of renewable power and after discussion, it was agreed that initially interconnection with Sri Lanka, Myanmar and Maldives would be explored to further the objective of OSOWOG.

An Indian technical team had visited Maldives for studying the technical specifications of inter connection between India and Maldives through Lakshadweep. Charter for OSOWOG has been finalized, and a Steering Committee for OSOWOG is being set up.

Transmission Plan for integration of over 500 GW of non-fossil fuel capacity by 2030:

India has huge ambitions in energy transition and plans to have 500 GW of non-fossil based electricity installed capacity by 2030, so that non-fossil cleaner fuel comprises of 50% of the installed capacity mix by 2030. Ministry of Power had constituted a high level committee under Chairperson, Central Electricity Authority with representatives from Solar Energy Corporation of India, Central Transmission Utility of India Ltd, Power Grid Corporation of India Ltd, National Institute of Solar Energy, and National Institute of Wind Energy for planning the transmission system required for having 500 GW of non-fossil fuel based installed capacity by 2030. The Committee prepared a detailed Plan titled "*Transmission System for Integration of over 500 GW RE Capacity by 2030*" in consultation with States and other stakeholders.

Issuance of Renewable Purchase Obligations (RPO) Trajectory:

Renewable Purchase Obligation (RPO) and Energy Storage Obligation Trajectory till 2029-30 has been issued on July 22, 2022. This would help in meeting the renewable energy generation targets set by the Central Government.

Production Linked Incentive (PLI) Scheme:

Approval and Issuance of Rs.19,500 crore PLI Scheme (Tranche-II) for High Efficiency Solar PV Modules:

Subsequent to the Cabinet approval dated September 21, 2022, Ministry of New & Renewable Energy on September 30, 2022, has issued Scheme Guidelines for implementation of the Production Linked Incentive Scheme (Tranche II) on 'National Programme on High Efficiency Solar PV Modules with an outlay of Rs. 19,500 crore. The Tranche-II is expected to result in setting up of around 65 GW of fully / partially integrated solar PV manufacturing.

Green Energy Corridor:

In order to facilitate renewable power evacuation and reshaping the grid for future requirements, the Green Energy Corridor (GEC) projects have been initiated. The first component of the scheme, Inter-state GEC with target capacity of 3200 circuit kilometer (ckm) transmission lines and 17,000 MVA capacity sub-stations, was completed in March 2020. The second component -Intra-state GEC with a target capacity of 9700 ckm transmission lines and 22,600 MVA capacity sub-stations is expected to be completed by March 2023. As on October 31, 2022, 8651 ckm of intra-state transmission lines have been constructed and 19558 MVA intra-state substations have been charged.

During the calendar year, a total of 183 ckm of transmission lines have been commissioned and 4930 MVA capacity of substations have been charged.

The Intra-State GEC Phase-II (InSTS GEC-II) scheme was approved by the CCEA in January 2022. The total target is 10750 ckm intra-state transmission lines and 27500 MVA sub-stations with scheduled commissioning timeline of March 2026.

Solar Parks Scheme:

To facilitate large scale grid-connected solar power projects, a scheme for "Development of Solar Parks and Ultra Mega Solar Power Projects" is under implementation with a target capacity of 40 GW capacity by March 2024. Solar Parks provide solar power developers with a plug and play model, by facilitating necessary infrastructure like land, power evacuation facilities, road connectivity, water facility etc. along with all statutory clearances. As on October 31, 2022, 56 Solar Parks have

been sanctioned with a cumulative capacity of 39.28 GW in 14 states. Solar power projects of an aggregate capacity of over 10 GW have already been commissioned in 17 parks and the remaining parks are at various stages of implementation. Solar projects of capacity 832 MW have been commissioned in various Solar Parks during period January to October, 2022.

PM-KUSUM Scheme:

Pradhan Mantri Kisan Urja Suraksha evam Utthaan Mahaabhiyan (PM-KUSUM): To provide energy and water security, de-dieselise the farm sector and also generate additional income for farmers by producing solar power, Government launched PM-KUSUM Scheme for farmers. The Scheme consists of three components:

- Component A: Installation of 10,000 MW of Decentralized Grid Connected Solar Power Plants each of capacity up to 2 MW;
- Component B: Setting up of 20 lakh standalone Solar Powered Agriculture Pump; and
- Component C: Solarisation of 15 Lakh existing Grid-connected Agriculture Pumps

Department of Expenditure approved the proposal of MNRE to extend the Scheme till March 31, 2026 with following modifications:

Under Component-B and Component-C of the Scheme, Central Financial Assistance (CFA) will be available for pump capacity up to 15 HP to the individual farmers in the North-eastern States, UTs of Jammu & Kashmir and Ladakh, States of Uttarakhand and Himachal Pradesh and Island UTs of Andaman & Nicobar and Lakshadweep, and for each farmer in the cluster/ community irrigation projects in high water table areas in all the States/ UTs, subject to the restriction of 10% of the total allocation. For the remaining quantity the current provision will prevail, unless superseded.

The condition of domestic content requirement for solar cells has been waived off for the feeder solarization projects under Component-C for which work shall be awarded to the implementing company by June 20, 2023.

Simplified procedure on Rooftop Solar (RTS):

To simplify implementation process, Ministry has developed a National Portal (solarrooftop.gov.in) wherein any residential consumer from any part of the country can apply for rooftop solar without waiting for Discom to finalise tender and empanel vendors. The subsidy is fixed and is same for the entire country. Since its launch on July 30, 2022, the total number of applications received on the national portal is for 117 MW solar capacity and the feasibility of more than 18 MW projects is granted.

Offshore Wind:

Strategy paper including business models for offshore wind energy has been issued. This provides roadmap for achieving 30 GW of offshore wind energy target by 2030. A concept note for VGF scheme of Rs 14283 crore for the initial 3 GW of offshore wind energy projects has been sent to Department of Expenditure, Ministry of Finance, for 'in-principle' approval. A trajectory to bid out offshore wind energy blocks for 37 GW capacity till Financial Year 2029-30 has been issued. Draft Offshore Wind Energy Lease Rules, 2022 have been finalized and sent for legal vetting. Draft contractual documents for offshore wind energy projects have been finalized and being circulated for stakeholders' consultation.

Road Ahead:

India has set a target to reduce the carbon intensity of the nation's economy by less than 45% by the end of the decade, achieve 50% cumulative electric power installed by 2030 from renewables, and achieve net-zero carbon emissions by 2070. Low-carbon technologies could create a market worth up to US\$ 80 billion in India by 2030.

India's target is to produce five million Tonnes of green hydrogen by 2030. With Green Hydrogen target, India's electrolyzer manufacturing capacity is projected to reach 8 GW per year by 2025. The cumulative value of the green hydrogen market in India could reach US\$ 8 billion by 2030 and India will require at least 50 gigawatt (GW) of electrolyzers or more to ramp up hydrogen production.

India's ambitious renewables energy goals are transforming its power sector. Rising population and widespread electrification in rural homes is fuelling the demand for energy to power homes, businesses and communities. Clean energy will reduce pollution levels as villages become self-sustainable with their use of clean energy. In 2022, India's renewable energy sector is expected to boom with a likely investment of US\$ 15 billion this year, as the government focuses on electric vehicles, green hydrogen, and the manufacturing of solar equipment.

It is expected that by 2040, around 49% of the total electricity will be generated by renewable energy as more efficient batteries will be used to store electricity, which will further cut the solar energy cost by 66% as compared to the current cost. The use of renewables in place of coal will save India INR 54,000 crores (US\$ 8.43 billion) annually. Around 15,000 MW of wind-solar hybrid capacity is expected to be added between 2020-25.

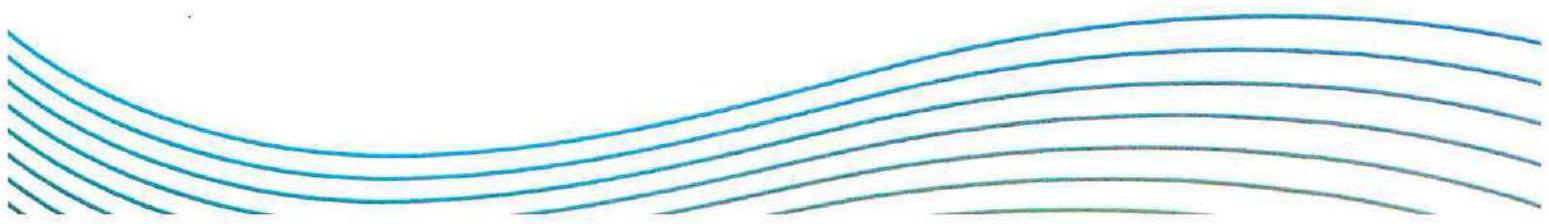

As per the Central Electricity Authority (CEA) estimates, by 2029-2030, the share of renewable energy generation would increase from 18% to 44%, while that of thermal is expected to reduce from 78% to 52%. The CEA also estimates India's power requirement to grow to reach 817 GW by 2030.

Deposits:

The Company has not accepted any public deposits within the meaning of Section 73 of the Companies Act, 2013 read with the Companies (Acceptance of Deposits) Rules, 2014 and any amendments thereto.

During last financial year, your Company had issued and allotted 3,340 Secured, Redeemable, Rated, Listed, Non-Convertible Debentures ('NCDs') of the face value of INR 10,00,000/- each on March 2, 2022 aggregating up to INR 3,34,00,00,000/- on a private placement basis with 6.75 % p.a.p.q. coupon rate for a tenure of 2 years 363 days for the purpose of refinancing of existing financial indebtedness of the Company availed from the existing lenders and promoter loans, payment of capital creditors and various purpose in the normal course of business and the said NCDs were listed on the wholesale debt market (WDM) of BSE Ltd on March 7, 2022.

Further, Catalyst Trusteeship Limited is the Debenture Trustee to the issue. The Company have utilised the proceeds received from the said issue of NCDs for the purpose for which it was raised.

Further, NCDs are secured by way of mortgage/charge against certain assets of the Company and the asset cover in respect of these NCDs exceed hundred percent of the principal amount of the said NCDs as of March 31, 2023.

During the period under review, interest payment and principal repayment of NCDs was done on a quarterly basis as mentioned in the payment schedule of the Information Memorandum and the outstanding principal value of the NCDs is INR 9,60,000/- as on March 31, 2023.

Further, all the listing compliances and corporate announcements was made on a timely basis and there were no failures or late compliances. No fines or penalty were levied by BSE Ltd on account of non-compliance by the Company during the year.

(e) Credit Rating

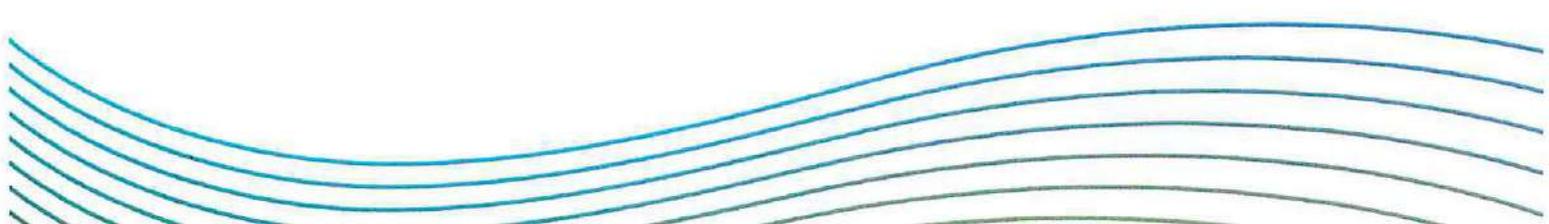

The credit rating of said 3,340, 6.75% secured, redeemable, rated, listed Non-Convertible Debentures ("NCDs") of Rs. 10,00,000/- issued by the Company on March 2, 2022 was re-affirmed vide letter from credit rating agency, viz. CRISIL Ratings Limited dated January 27, 2023 and the credit rating details of the Company as on March 31, 2023 was as follows:

Rating Agency	Type of Instrument	Credit Rating
CRISIL Ratings Limited	Non-Convertible Debentures	CRISIL AAA/Stable

Disclosures under SEBI Operational Circular:

Large Corporate Disclosure

As the maturity of NCDs is for a period of more than one year and have a credit rating of CRISIL AAA/Stable, the Company would be considered as a 'Large Corporate' as per SEBI Circular nos. SEBI/HO/DDHS/P/CIR/2021/613 dated August 10, 2021 ('SEBI Operational Circular') and any further amendments thereto. Further, SEBI's Operational Circular dated August 10, 2021. Further, there was no incremental borrowing done by the Company during the financial year ended March 31, 2023.

Disclosures pertaining to Green Debt Securities

Disclosures pertaining to greendebt securities issued by the Company as required under SEBI Operational Circular nos. SEBI/HO/DDHS/P/CIR/2021/613 dated August 10, 2021 ('SEBI Operational Circular') and additional disclosures prescribed under SEBI Circular no. SEBI/HO/DDHS/DDHS-RACPOD1/P/CIR/2023/023 dated February 06, 2023 is annexed with this report as **Annexure I**.

Board of Directors and Key Managerial Personnel:

There has been no change in the composition of the Board of Directors of the Company and the present directors of the Company are Mr. Jay Shankar Shukla and Mr. Murtuza Kakuji.

Further, Ms. Nidhi Singhania continues to be the Company Secretary and Compliance Officer of the Company in compliance with the provisions of Regulation 6 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015.

Number of Meetings of the Board of Directors and Attendance of Directors:

Seven (7) meetings of the Board of Directors were held during the year viz on May 30, 2022, July 22, 2022, August 12, 2022, September 26, 2022, November 11, 2022, February 9, 2023 and March 28, 2023 and the intervening gap between any two meetings was within the period prescribed by the Companies Act, 2013:

Directors Date of Board Meetings	Mr. Jay Shankar Shukla	Mr. Murtuza Kakuji
May 30, 2022	Attended	Attended
July 22, 2022	Attended	Attended
August 12, 2022	Attended	Attended
September 26, 2022	Attended	Attended
November 11, 2022	Attended	Attended
February 9, 2023	Attended	Attended
March 28, 2023	Attended	Attended
% of attendance	100%	100%

Board Evaluation:

Since the Company was a private limited company during the period from April 1, 2022 till March 31, 2023, the disclosure on annual evaluation of the performance was not applicable to the Company.

Corporate Social Responsibility Initiatives:

The Board of Directors had granted its approval to undertake its Corporate Social Responsibility (CSR) activities through Avaada Foundation, Avaada Group Section 8 Company incorporated for the purpose pursuant to the collaboration agreement for Corporate Social Responsibility activities executed between Avaada Foundation, Avaada Ventures Private Limited and Avaada Energy Private Limited and Deed of Adherence executed between Avaada Foundation, Avaada Ventures Private Limited, Avaada Energy Private Limited and the Subsidiaries of Avaada Energy Private Limited.

In accordance with the proposed CSR Annual Action Plan for the Financial Year 2022-23, Avaada Foundation undertook the social development activities in areas of education, empowerment, preventive healthcare and environment in Surendranagar District in the State of Gujarat as under:

Sr No	Focus Areas	CSR Programs	Location	Lives Touched
1	Education	Promoted Sarva Shiksha Abhiyan by initiating infra development works in Talsana Government School such as renovation of mid day meal room, ceiling fan installation, providing science lab facility etc	Surendranagar, Gujarat	330
2		Promoted quality education by setting up of interactive class rooms in government school	Surendranagar, Gujarat	

3	Empowerment	Promotion of "Skill India" movement in rural villages by opening Nav Kiran Stitching Centre	Surendranagar, Gujarat	29
4		Promotion of "Digital India" theme in rural villages by starting Nav Kiran Digital Centre	Surendranagar, Gujarat	67
5		Extended support for job opportunities for local youth under livelihood enforcement program	Surendranagar, Gujarat	3
6	Preventive Healthcare	Conducted yoga sessions for the promotion of mental health and well being of the community	Surendranagar, Gujarat	215
7	Environment	Tree plantation drive under "Save the Nature" & "Go Green Environment" program	Surendranagar, Gujarat	2,000 Saplings

The annual report on CSR activities undertaken is attached herewith as **Annexure II**.

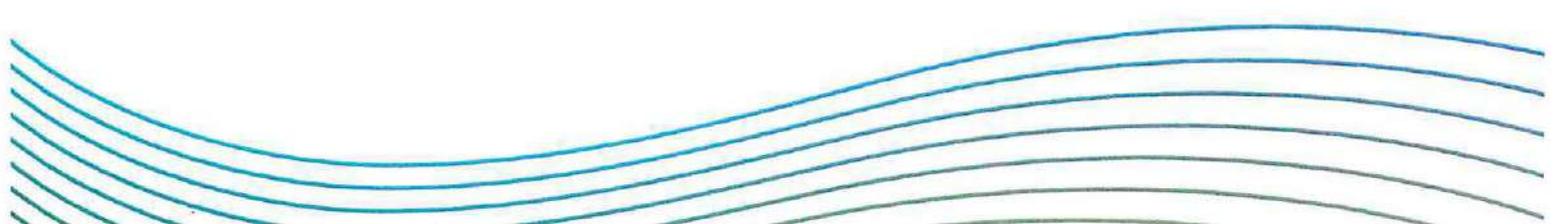

Governance Policies of the Company:

Vigil Mechanism (Whistle Blower Policy):

The Company has established a Vigil Mechanism and adopted Vigil Mechanism Policy that enables the directors and group employees to bring to the attention of the management any issue which is perceived to be in violation of or in conflict with the fundamental business principles of the Company.

Annexure I

Disclosures applicable to Green Debt Securities under SEBI Circulars:

1. List of project(s) and/ or asset(s) to which proceeds of the Green Debt Securities have been allocated/invested including a brief description of such project(s):

The amount of INR 3,340 millions raised has been fully allocated for re-financing of “Eligible Green Projects” as defined in the Green Bond framework i.e. for existing 100 MW Solar electricity generation facilities/Plant of the Company operational in the State of Rajasthan wherein 100% of electricity generated from the said plant is derived from solar energy resources. Thus, the Company has utilized the proceeds from the issue of green debt securities viz. non-convertible debentures (‘NCDs’) for the purpose for which these proceeds have been raised.

2. Environmental impact of the Project(s) in which the proceeds from issue of Green Bonds have been invested:

The said Solar Plant had a significant impact in terms of avoidance of emissions of carbon dioxide (CO₂) apart from other air pollutants associated with energy generation. The CO₂ emission reductions on account of said Solar Plant of the Company during the Financial Year (FY) 2022-23 are shared below:

Project Type	Capacity (in MW AC)	Annual generation (MWh/year) during FY 2022-2023	Projected emission reduction (tCO ₂ /year) during FY 2022-2023
Solar PV Project	100	2,34,957	2,20,108

3. Methods and the key underlying assumptions used in preparation of the performance indicators and metrics and compliance with globally accepted standard(s) for measurement of the environmental impact:

All the data presented in the above table is based on the monthly factual data collection. For CO₂ eq emission reduction, combined margin grid emission factor is taken from CO₂

baseline database version 18, December 2022, published by Central Electricity Authority (CEA), Government of India.

The Company follows the International Financial Corporation (IFC) performance standards, 2012 to comply with environmental and social management system.

4. Deployment of the mitigation plan for the perceived social and environmental risks:

Since solar power projects are categorized as non-polluting under White Category as per MoEF&CC notification dated March 5, 2016, no EIA is mandated.

However, as a best practice an Environmental & Social Management Plan is prepared to mitigate or address the risks identified as an outcome of Environmental & Social Impact Assessment Study conducted for the Project.

5. Disclosures of major elements of Business Responsibility and Sustainability Report (BRSR):

The major elements of Business Responsibility and Sustainability Report (BRSR) as prescribed under SEBI Circular no. SEBI/HO/DDHS/DDHS-RACPOD1/P/CIR/2023/023 dated February 06, 2023 is annexed as Annexure A to this report as a matter of good governance practice.

6. Appointment of third party reviewer/certifier for verification of impact reporting:

The Company have engaged third party viz. 'Bureau Veritas Industrial Services (BVIS) India Private Limited' for verification of impact reporting.

9. Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes.

Solar PV plant does not involve generation of any kind of hazardous waste from its process or activities. The only major waste generated from the plant is the damaged/broken solar modules which are being kept in isolated closed and covered area/steel containers till final disposal to authorized recyclers. Other solid waste and scrap materials like cable parts and carton box are stored in designated area and sold to the local vendor as and when required. Also, efforts are made to make purposeful utilisation of waste wherever possible.

10. If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals / clearances are required, please specify details in the following format:

S. No.	Location of operations/offices	Type of operation	Whether the conditions of environmental approval / clearance are being complied with? (Y/N) If no, the reasons thereof and corrective action taken, if any.
1	100 MW, Clean Sustainable Energy Private Limited, Bhadla I, Bikaner, Rajasthan	Solar PV Project	Not Applicable

11. Details of environmental impact assessments of projects undertaken by the entity based on applicable laws, in the current financial year: A detailed Environmental & Social Impact Assessment (ESIA) Study is carried out for each project as per National & International guidelines and as a result ESIA, an Environmental & Social Management Plan is prepared and duly implemented at project level.

Name and brief details of project	EIA Notification No.	Date	Whether conducted by independent external agency (Yes / No)	Results communicated in public domain (Yes/No)	Relevant Web link
100 MW, Clean Sustainable Energy Private Limited, Bhadla I, Bikaner, Rajasthan	Not Applicable	-	Yes	No	-

12. Is the entity compliant with the applicable environmental law/ regulations/ guidelines in India; such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment protection act and rules thereunder (Y/N). If not, provide details of all such non-compliances, in the following format: Not applicable as, Solar PV Project is categorized as white category as per guidelines on Categorization of Industries issued by MOEF & CC on February 29, 2016 and subsequent Circular/Notification vide no. B- 29012/ESS (CPA)/2015-16 issued by CPCB on March 7, 2016 which states that "There shall be no necessity of obtaining the Consent to Establish/Operate" for White category of industries.

S. No.	Specify the law / regulation/guidelines which was not complied with	Provide details of the non-compliance	Any fines / penalties / action taken by regulatory agencies such as pollution control boards or by courts	Corrective action taken, if any
-	-	-	-	-

Leadership Indicators

1. Provide break-up of the total energy consumed (in Joules or multiples) from renewable and non-renewable sources, in the following format:

Parameter	As at March 31, 2023	As at March 31, 2022
From renewable sources		
Total electricity consumption (A)(MWh)	-	-
Total fuel consumption (B)(liters)	-	-
Energy consumption through other sources (C)	-	-
Total energy consumed from renewable sources (A+B+C)	-	-
From non-renewable sources		
Total electricity consumption (D) in MWh	1033.80	1012.50
Total fuel consumption (E)	6290	5742
Energy consumption through other sources (F)	-	-
Total energy consumed from non-renewable sources (D+E+F) in Joules	39,45,53,62,80,000	38,50,76,53,20,000

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.- Yes, Bureau Veritas Industrial Services (BVIS) India Private Limited

Provide the following details related to water discharged:

Parameter	As at March 31, 2023	As at March 31, 2022
Water discharge by destination and level of treatment (in kilolitres)		
(i) To Surface water		
- No treatment	-	-
- With treatment – please specify level treatment	-	-

3. Please provide details of total Scope 3 emissions & its intensity, in the following format:

Parameter	Unit	As at March 31, 2023	As at March 31, 2022
Total Scope 3 emissions (Break-up of the GHG into CO2, CH4, N2O, HFCs, PFCs, SF6, NF3, if available)	Metric tonnes of CO2 equivalent	0.024	0.027
Total Scope 3 emissions per rupee of turnover		0.0000000000038	0.0000000000042
Total Scope 3 emission intensity (optional) – the relevant metric may be selected by the entity		-	-

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency. Yes, Bureau Veritas Industrial Services (BVIS) India Private Limited

4. With respect to the ecologically sensitive areas reported at Question 10 of Essential Indicators above, provide details of significant direct & indirect impact of the entity on biodiversity in such areas along-with prevention and remediation activities. – Not Applicable

5. If the entity has undertaken any specific initiatives or used innovative technology or solutions to improve resource efficiency, or reduce impact due to emissions / effluent discharge / waste generated, please provide details of the same as well as outcome of such

initiatives, as per the following format:

Sr. No	Initiative undertaken	Details of the initiative (Web-link, if any, may be provided along-withsummary)	Outcome of the initiative
1	Adoption Dry Robotic Cleaning for Solar Panels	Adopted dry robotic cleaning system instead of wet cleaning of solar module. This system has significantly reduced water consumption	By adoption of robotic dry cleaning system, around 5675 KL of water is saved annually

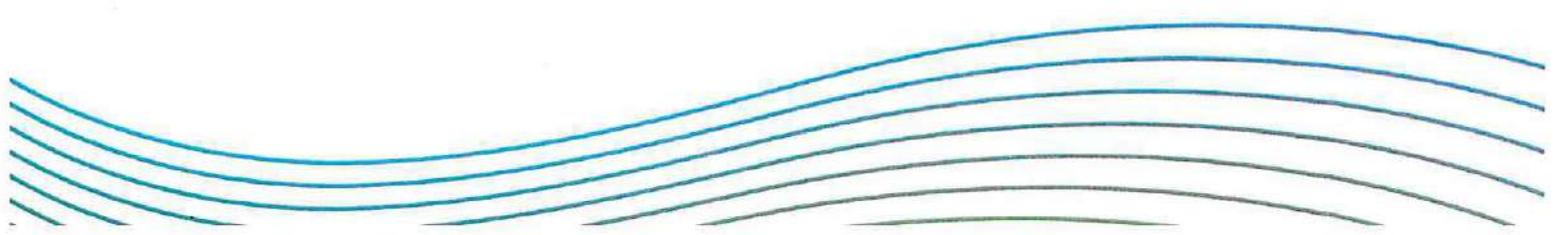

6. Does the entity have a business continuity and disaster management plan? Give details in 100 words/ web link.

Avaada Group has prepared a site-specific Emergency Management Plan for implementation at the project site in the event of an emergency situation so that the loss of life and damage to the properties and natural resources are minimized. This plan outlines a series of emergency actions that will be executed by Avaada and its contractors to ensure preparedness and response to emergency situations throughout the life cycle of the project. The overall objective of an OSEP is for what to do and what not during an emergency. The following aspects are included in emergency preparedness plan:-

- To assess what dangers could arise to people on and offsite as a result of these foreseeable emergencies and what the effects could it pose on the environment.
- To contain and control incidents; and
- To assess the risk involved, and to mitigate the same by pre-planned remedial and rescue measures using, when necessary, the combined resources of the organization concerned and the public emergency services.

The training of the individual personnel with duties under the plans are being imparted to familiarize the on site personnel with their roles, their equipment, and the details of the plans, specific needs of each particular site for dealing with those emergencies which it is for seen may arise.

7. Disclose any significant adverse impact to the environment, arising from the value chain of the entity. What mitigation or adaptation measures have been taken by the entity in this regard. – No, significant value chain impact on environment has been identified due to

Annexure- II

Annual Report on Corporate Social Responsibility Activities as prescribed under Section 135 of the Companies Act, 2013 and Companies (Corporate Social Responsibility Policy) Rules, 2014

1. Brief outline on CSR Policy of the Company:

The CSR policy of the Company was adopted by the Board on July 30, 2021 and it focuses on Education, Empowerment, Environment and Health and other CSR activities pursuant to the provisions of Section 135 of the Companies Act, 2013 vide the Companies (Amendment) Act, 2020 read with the Companies (Corporate Social Responsibility Policy) Amendment Rules, 2021.

The main objective of the CSR Policy is to lay down guidelines and make CSR as one of the key business drivers for sustainable development of the environment and the society in which the Company operates in particular and the overall development of the global community at large.

2. The status of formation of the CSR Committee of the Board as on March 31, 2023 vis as under:

Pursuant to the amendment to the provisions of Section 135 of the Companies Act, 2013 vide the Companies (Amendment) Act, 2020 read with the Companies (Corporate Social Responsibility Policy) Amendment Rules, 2021, if the annual CSR obligation of any Company does not exceed Rupees Fifty Lakhs, the Company would no longer fall under the criteria for constituting the Corporate Social Responsibility Committee.

Thus, as the annual CSR obligation of Company does not exceed Rupees Fifty Lakhs, it was decided not to constitute Corporate Social Responsibility Committee and all the functions of the Corporate Social Responsibility Committee would be discharged by the Board.

3. The web-link for CSR Policy and CSR projects approved by the board is disclosed on the website of the company:

<https://avaada.com/csepl/img/Annexure%20-%20CSR%20Policy.pdf>

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2023

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
CLEAN SUSTAINABLE ENERGY PRIVATE LIMITED
CIN: U40300MH2013PTC248435
Registered office: 406, 4th floor, Hubtown Solaris, N.S. Phadke Marg, Andheri (East),
Mumbai - 400069, Maharashtra, India

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by CLEAN SUSTAINABLE ENERGY PRIVATE LIMITED (hereinafter called "the company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March, 2023 ("Audit Period") complied with the statutory provisions listed hereunder and also that the Company has proper board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2023 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;

- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings (Not applicable to the Company during Audit Period)
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent applicable to the Company:
- a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - d. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
 - e. The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
 - f. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - g. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - h. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
 - i. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;
- (vi) In respect of other laws specifically applicable to the Company, the below-mentioned other law is specifically applicable to the Company:
- a) Electricity Act, 2003;

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards with regard to Meeting of Board of Directors (SS-1) and General Meeting (SS-2) issued by The Institute of Company Secretaries of India.
- (ii) The Listing Agreement entered into by the Company with BSE Limited.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We have relied on information/ records produced by the Company during the course of my audit and the reporting is limited to that extent.

We further report that

Board of Directors of the Company is duly constituted. There were no changes in the composition of the Board of Directors during the period under review.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and in case of shorter notice, consent of board members was obtained and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

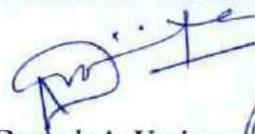

Majority decision is carried through while the dissenting members' views, if any, are captured and recorded as part of the minutes.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period there were no following specific events/actions having a major bearing on the company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

- (i) Public/ Preferential issue of shares / debentures / sweat equity, etc.
- (ii) Redemption / Buy-Back of Securities
- (iii) Major decisions taken by the members in pursuance to Section 180 of the Companies Act, 2013 (The Company being a private company is exempt from compliance of the provisions of Section 180 of the Companies Act, 2013).
- (iv) Merger / amalgamation / reconstruction, etc.
- (v) Foreign technical collaborations. This report is to be read with our letter of even date, which is annexed as ANNEXURE-I, and it forms an integral part of this report.

INDEPENDENT AUDITOR'S REPORT

To The Members of Clean Sustainable Energy Private Limited Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Clean Sustainable Energy Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2023, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the board report, but does not include the financial statements and our auditor's report thereon.
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended,

In our opinion and to the best of our information and according to the explanations given to us, the Company being a private company, section 197 of the Act related to the managerial remuneration is not applicable.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements - Refer Note 38 to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, as disclosed in the note 39 to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The Management has represented, that, to the best of its knowledge and belief, as disclosed in the note 39 to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. The company has not declared or paid any dividend during the year and has not proposed final dividend for the year.
 - vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company w.e.f. April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

**ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT
(Referred to in paragraph (f) under 'Report on Other Legal and Regulatory Requirements'
section of our report of even date)**

**Report on the Internal Financial Controls with reference to financial statements under
Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls with reference to financial statements of Clean Sustainable Energy Private Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisation of management and directors of the company; and (3) provide reasonable assurance regarding

prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based on the criteria for internal financial control with reference to financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Our opinion is not modified in respect of this matter.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of Right-of-Use asset.

(B) As the Company does not hold any intangible assets, reporting under clause 3(i)(a)(B) of the Order is not applicable.
- (b) Some of the Property, Plant and Equipment, (including right-of-use assets) were physically verified during the year by the Management in accordance with a programme of verification, which in our opinion provides for physical verification of all the Property, Plant and Equipment, (including right-of-use assets) at reasonable intervals having regard to the size of the Company and the nature of its activities. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) Based on our examination of the lease agreement for land on which building is constructed, provided to us, we report that, the title in respect of self-constructed buildings (other than the properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company) disclosed in the financial statements included in Property, Plant and Equipment, are held in the name of the Company as at balance sheet date.
- (d) The Company has not revalued any of its Property, Plant and Equipment (including Right-of-Use assets) during the year.
- (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) (a) The inventories were physically verified during the year by the management at reasonable intervals. In our opinion and according to the information and explanations given to us, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and nature of its operations. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories applicable, when compared with books of accounts.
- (b) According to the information and explanations given to us, at any given point of time of the year, the Company has not been sanctioned working capital from banks or financial institutions and hence reporting under clause 3(ii)(b) of the Order is not applicable.

- (iii) (a) The Company has not made any investment, has not provided any guarantee, loan, advances in nature of loan or security to any other entity during the year. The Company along with three other fellow subsidiaries has issued non-convertible debentures during the previous year aggregating to INR 14,400 million, for which the Company along with other three fellow subsidiaries have provided guarantee on jointly and severally basis to the debenture trustees. Details of outstanding guarantees as at March 31, 2023 are as given below:

(Amount in INR million)

	Loans	Advances in nature of loans	Guarantees on behalf of fellow subsidiaries	Security
Aggregate amount granted / provided during the year:				
- Others (fellow subsidiaries)	Nil	Nil	Nil	Nil
Balance outstanding as at balance sheet date in respect of above cases:				
- Others (fellow subsidiaries)	Nil	Nil	10,617.60	Nil

- (b) The Company has not made any investments, has not provided any guarantee, loan, advances in nature of loan or security to any other entity during the year and hence reporting under clause 3(iii)(b), (c), (d), (e) and (f) is not applicable.
- (iv) The Company has not made any investment during the year under section 186 (1) of the Companies Act, 2013. As per Section 186 (11) read with Schedule VI, provisions of Section 186 except 186(1) with respect to grant of loans, providing guarantees and security would not apply to the Company as the Company is providing infrastructural facilities. The Company has not granted any loans or provided guarantees under Section 185 of the Companies Act 2013.
- (v) The Company has not accepted any deposit or amount which are deemed to be deposits. Hence reporting under clause 3(v) of the order is not applicable.
- (vi) The maintenance of cost records has been specified by the Central Government under section 148(1) of the Companies Act, 2013. We have broadly reviewed the books of account maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended prescribed by the Central Government for maintenance of cost records under Section 148(1) of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained by the Company. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) According to the information and explanations given to us, in respect of statutory dues:
- (a) Undisputed statutory dues, including Goods and Service Tax, Provident Fund, Income-tax, duty of Custom, cess and other material statutory dues applicable to the Company have generally been regularly deposited by it with the appropriate authorities. We were informed that the provisions of Employees' State Insurance Act, 1948 are not applicable to the Company.

There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Income-tax, duty of Custom, cess and other material statutory dues in arrears as at March 31, 2023 for a period of more than six months from the date they became payable.

- (b) There are no statutory dues referred to in sub clause (a) above which have not been deposited on account of disputes as on March 31, 2023.
- (viii) There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.
- (ix) (a) In our opinion, the Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year. As at March 31, 2023, the Company has (a) interest free loan amounting to INR 85.23 million repayable in 8 years and (b) interest free loan amounting to INR 193.52 million repayable on demand. According to information and explanations given to us, such loans have not been demanded for repayment during the financial year.
 - (b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
 - (c) The Company has not taken any term loan during the year and there are no unutilised term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
 - (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, *prima facie*, not been used during the year for long-term purposes by the Company.
 - (e) The Company did not have any subsidiary or associate or joint venture during the year and hence, reporting under clause 3(ix)(e) and (f) of the Order is not applicable.
- (x) (a) The Company has not issued any of its securities (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
 - (b) During the year the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
 - (b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
 - (c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year and up to the date of this report.
- (xii) The Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable.
- (xiii) In our opinion, the Company is in compliance with Section 188 of the Companies Act for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards. The Company is a private company and hence the provisions of section 177 of the Companies Act, 2013 are not applicable to the Company

- (xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We were unable to obtain on timely basis any of the internal audit reports of the Company issued for the period under audit, hence we were unable to consider the internal audit reports in our audit.
- (xv) In our opinion during the year the Company has not entered into any non-cash transactions with any of its directors or directors of its holding company, or persons connected with such directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- (b) According to the information and explanation given to us, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) The Company has fully spent the required amount towards Corporate Social Responsibility (CSR) and there are no unspent CSR amount for the year requiring a transfer to a Fund specified in Schedule VII to the Companies Act or special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Accordingly, reporting under clause 3(xx) of the Order is not applicable for the year.

Clean Sustainable Energy Private Limited
CIN - U40300MH2013PTC248435
Statement of Cash Flows for the year ended March 31, 2023
(All amounts in INR million unless stated otherwise)

Particulars	For the year ended March 31, 2023	For the year ended March 31, 2022
A. Cash flow from operating activities		
Profit before tax	190.84	3.19
Adjustments		
Interest income	(14.65)	(17.07)
Interest and other borrowing costs	250.29	356.74
Interest on decommissioning liability	0.66	0.60
Interest on lease liability	7.43	7.26
Loss / (Income) on claim of Goods & Services Tax and Safeguard duty	(62.75)	0.79
Exchange loss / (gain)	-	(34.44)
Processing fees	-	58.11
Depreciation expenses	202.03	202.00
Profit on sale of investments	(6.52)	(1.73)
Fair valuation gain on investment	(4.64)	-
Revenue from goods and service tax claim	(37.22)	(37.22)
Gratuity expense and Leave encashment	0.09	0.07
Operating profit before working capital changes	525.56	538.30
Adjustment for working capital changes		
Changes in inventories	(2.13)	(1.19)
Changes in trade receivable	5.48	0.69
Changes in other financial assets	95.86	232.83
Changes in other non-current assets	-	15.31
Changes in other current assets	(6.45)	-
Changes in trade payables	3.65	0.84
Changes in non-current provision	0.09	(0.05)
Changes in current provision	-	-
Changes in other current liabilities	1.35	5.05
Cash generated from operations	623.41	791.78
Income tax paid (net of income tax refund)	12.78	(8.80)
Net cash generated from operating activities	636.19	782.98
B. Cash flow from investing activities		
Purchase of property, plant and equipment and intangible assets (including capital payable)	(12.75)	(0.02)
Investment in mutual fund	(608.31)	(292.99)
Proceeds from sale of short term investments	297.97	294.72
Proceeds from redemption of bank deposits	650.00	1,324.98
Investment in bank deposits	(654.88)	(1,429.43)
Interest income received	14.65	19.37
Net cash used in investing activities	(313.32)	(83.37)
C. Cash flow from financing activities		
Proceeds from non-current borrowings	-	3,340.00
Repayment of non-current borrowings	(133.60)	(3,158.82)
Proceeds from current borrowings	0.13	21.52
Repayment of current borrowings	(16.58)	(474.48)
Payment for processing fees of non-current borrowing	-	(60.69)
Payment of lease liability	-	(5.91)
Interest and other borrowing costs paid	(222.07)	(365.72)
Net cash used in financing activities	(372.12)	(704.10)
Net (decrease) / increase in cash and cash equivalents (A+B+C)	(49.25)	(4.49)
Cash and cash equivalents at the beginning of the year	58.98	63.47
Cash and cash equivalents at the end of the year	9.73	58.98
Components of cash and cash equivalents	As at March 31, 2023	As at March 31, 2022
Balance with banks in current accounts	9.73	58.98
Cash and cash equivalents	9.73	58.98

1. Corporate information

Clean sustainable energy private limited ("the Company") is a private Company domiciled in India and incorporated on September 23, 2013 under the provisions of the Companies Act, 2013 applicable in India as subsidiary of Avaada Energy Private Limited. The registered office of the Company is located at 406, 4th Floor, Hubtown Solaris, N.S. Phadke Marg, Andheri (East), Mumbai - 400069. The Company has an installed generation capacity of 60MW and 40MW (total capacity 100MW) solar power project as on September 16, 2018 and October 06, 2018 respectively at Bhadla, Rajasthan.

The Company is principally engaged in the provision of sale of power.

2. Significant accounting policies

2.1 Statement of compliance and basis of preparation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013, read together with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time.

The financial statements have been prepared on the accrual and going concern basis and the historical cost convention except for derivative financial instruments, certain financial assets and liabilities measured at fair value and employee benefit expenses. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

All amounts disclosed in these financial statements have been rounded to the nearest million as per the requirements of Schedule III of the Companies Act, 2013, unless otherwise stated.

2.2 Summary of significant accounting policies

a) Use of estimates

The preparation of financial statements in conformity with recognition and measurement principle of Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

b) Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is treated as current when it is:

- expected to be realized or intended to sold or consumed in normal operating cycle;
- held primarily for the purpose of trading;
- expected to be realized within twelve months after the reporting period; or
- cash or cash equivalents unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is treated as current when it is:

- expected to be settled in normal operating cycle;
- held primarily for the purpose of trading;
- due to be settled within twelve months after the reporting period; or
- there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets/liabilities are classified as non-current assets/liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization/settlement in cash and cash equivalents. The Company has identified twelve months as their operating cycle for classification of their current assets and liabilities.

c) Property, plant and equipment

Property, plant and equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than subsequently recoverable from tax authorities), any directly attributable expenditure on making the asset ready for its intended use and borrowing costs attributable to acquisition of qualifying assets up to the date the asset is ready for its intended use.

Cost also includes replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in the statement of Profit or Loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

d) De-recognition

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognized.

e) Depreciation

Depreciation is provided for property, plant and equipment on a straight line basis so as to expense the cost less residual value over their estimated useful lives, based on useful life given in schedule II of Companies Act except solar power generating assets, where estimated useful life considered based on a technical evaluation. The estimated useful lives and residual values are reviewed at the end of each reporting period, with the effect of any change in estimate accounted for on a prospective basis.

Type of asset	Useful lives
Buildings and Improvement (Solar Power Generating System)	25 years
Plant and equipment (Solar Power Generating System)	25 years
Plant and equipment (Other)	15 years
Vehicles	10 years
Computer equipment	3 years
Office equipment	5 years

Assets individually costing less than Rs. 5,000 are fully depreciated in the year of acquisition.

The assets' residual values and useful lives are reviewed at each financial year end or whenever there are indicators for impairment, and adjusted prospectively.

Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the depreciation period or method, as appropriate, and are treated as changes in accounting estimates. The depreciation expense on tangible assets is recognised in the Statement of Profit and Loss unless such expenditure forms part of carrying value of another asset.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

f) Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

As a lessee

The Company applies a single recognition and measurement approach for all leases except for leases of low-value assets and short term leases. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

i) Right-of-use assets

The Company recognizes right-of-use assets at the commencement date of lease (i.e., the date of underlying asset is ready for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the short lease term or useful life.

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset

The right-of-use asset are also subject to impairment.

ii) Lease liabilities

At the commencement date of the lease, the Company recognizes lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivables, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognized as expense (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., change to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

iii) Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). Exemption also applies the lease of low-value assets recognition that are considered to be low value. Lease payments on short-term leases and leases of low value assets are recognised as expense on a straight-line basis over the lease term.

g) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost less any interest income earned on temporary investment of specific borrowings pending their expenditure on qualifying assets.

Borrowing cost includes interest expense as per effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial liability or a shorter period, where appropriate, to the amortised cost of a financial liability after considering all the contractual terms of the financial instrument.

The Company determines the amount of borrowing costs eligible for capitalisation as the actual borrowing costs incurred on that borrowing during the period, to the extent that an entity borrows funds specifically for obtaining a qualifying asset. In case if the Company borrows generally and uses the funds for obtaining a qualifying asset, borrowing costs eligible for capitalisation are determined by applying a capitalisation rate to the expenditures on that asset.

h) Inventories

Inventories comprises stores and spare parts and is carried at are carried at lower of cost and net realisable value. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Net realisable value represents the estimated selling price in the ordinary course of business less costs necessary to make the sale.

i) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial asset

Financial assets are recognised when an entity becomes a party to the contractual provisions of the instruments. Financial assets are initially measured at fair value. Trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient are measured at the transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets (other than financial assets at fair value through profit or loss) are added to the fair value of the financial assets on initial recognition. Transaction costs directly attributable to the acquisition of financial assets at fair value through profit or loss (FVTPL) are recognised in the Statement of Profit and Loss.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets. With the exception of trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient.

Financial assets that are held within a business model whose objective is to hold assets in order to collect contractual cash flows; and the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are subsequently measured at amortised cost (except for financial assets that are designated as at FVTPL on initial recognition) using the effective interest (EIR) method and are subject to impairment.

Financial assets that are held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are subsequently measured at fair value through other comprehensive income (except for financial assets that are designated as at FVTPL on initial recognition).

All other financial assets are subsequently measured at fair value.

The effective interest method is a method of calculating the amortised cost of a financial asset and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset, or, where appropriate, a shorter period, to the gross carrying amount on initial recognition. Income is recognised on an effective interest basis for financial assets other than those financial assets classified as at FVTPL. Interest income is recognised in the Statement of Profit and Loss and is included in the 'Other income'.

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in the Statement of Profit and Loss.

The Company assesses at each Balance Sheet date whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss.

The Company recognises lifetime expected losses for all trade receivables. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in profit or loss.

For trade receivables, the Company applies a simplified approach in calculating ECLs. Therefore, the Company does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date.

Financial Liabilities

Financial liabilities are recognised when an entity becomes a party to the contractual provisions of the instruments. Financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial liabilities (other than financial liabilities at FVTPL) are deducted from the fair value of the financial liabilities on initial recognition. Transaction costs directly attributable to the acquisition of financial liabilities at FVTPL are recognised immediately in the Statement of Profit and Loss and is included in 'finance costs'.

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or it is designated as at FVTPL all other financial liabilities are subsequently measured at amortised cost using the effective interest rate method or at FVTPL.

The effective interest rate method is a method of calculating the amortised cost of a financial liability and of allocating interest expense and other directly attributable costs over the relevant period. The effective interest rate is the rate that exactly discounts estimated contracted future cash payments through the expected life of the financial liability to the net carrying amount on initial recognition. The expected life of a financial liability can be a shorter period when the contractual arrangements include prepayment provisions and when such prepayments are expected.

Expense is recognised on an effective interest basis for financial liabilities other than those financial liabilities classified as at FVTPL. Interest expense is recognised in profit or loss and is included in the 'Finance costs' line item.

Non-refundable fees and related direct costs associated with the origination of borrowings are deferred and netted against borrowings and recognised using effective interest rate method.

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the Statement of Profit and Loss.

The Company's financial liabilities comprise of borrowings, trade payables and other payables. These liabilities are measured subsequently at amortised cost.

Reclassification of financial assets

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operation. Such changes are evident to external parties. A change in the business model occurs when the Company either or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediate next reporting period following the change in the business model. The Company does not restate any previously recognized gains, losses (including impairment gains or losses) or interest.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

j) Cash and cash equivalents

Cash consists of balances with banks which are unrestricted for withdrawal and usage. The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents.

Short-term bank deposits are made for varying periods depending on the immediate cash requirements of the Company. Cash and cash equivalents include bank deposits having original maturity period of less than three months. Bank deposits with original maturity period of more than three months but less than 12 months are presented as 'Other bank balances'. Bank deposits with original maturity of more than twelve months are presented as 'Other financial assets'.

k) Revenue recognition

Revenue from contracts with customers is recognized on transfer of control of promised goods or services to a customer at an amount that reflects the consideration to which the Company is expected to be entitled to in exchange for those goods or services.

Sale of power

Revenue arrangement

The Company's revenue arrangement is based on long term PPA with its customer (Solar Energy Corporation of India Limited ("SECI")). As per the PPA the Company's performance obligation is to supply solar power at the rates specified in the PPA.

Recognition

Revenue from sale of power is recognized when persuasive evidence of an arrangement exists, the fee is fixed or determinable, solar energy kilowatts are supplied and collectability is reasonably assured. Revenue is based on the solar energy kilowatts actually supplied to customers multiplied by the rate per kilowatt hour agreed to in the respective PPAs.

Measurement

Revenue is measured at the fair value of the consideration received or receivable net of the estimated variable considerations

As per the terms of the PPA, the variable considerations include:

1. Expected compensation for non-fulfilment of minimum supply commitments - The Company is obliged to sell minimum solar power in a year as per the PPA. In case of default of aforesaid obligation, the Company is liable to pay compensation to customer as per the terms of the PPA. As at the year end the Company has estimated that no such penalty will be paid by the Company and accordingly no adjustment has been made in revenue.
2. Deviation settlement mechanism charges which is imposed for over draw/ injection and under draw/injection from the schedule for the generators

Income from carbon emission reduction

The Company recognized carbon emission reduction "CER" income in the period when it is reasonably certain that the Company will be able to comply with the conditions necessary to obtain these carbon emission reduction. Company recognise CER value at average price of open contract for sale of CER with customers.

Sale of goods

Revenue from selling goods with revenue recognised at a point in time when control of the goods has transferred to the customer. The performance obligation in case of product is satisfied at a point in time i.e., when the material is shipped to the customer. Revenue is measured at fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Interest income

Interest Income from a Financial Assets is recognised using effective interest rate method.

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's gross carrying amount on initial recognition. Interest income is included in the Statement of Profit and Loss.

Dividend income

Dividend Income is recognised when the Company's right to receive the amount has been established.

Costs of obtaining long-term contracts

Costs to obtain a contract that would have been incurred regardless of whether the contract was obtained shall be recognised as an expense when incurred, unless those costs are explicitly chargeable to the customer regardless of whether the contract is obtained. The Company incurred the incremental costs for obtaining PPA and recognise these cost as an asset if the Company expects to recover those costs and shall be amortized over the life of the contract/PPA.

No judgement is needed to measure the amount of costs of obtaining contracts.

l) Foreign currencies

These Financial Statements are presented in Indian Rupees (INR), which is the Company's functional currency. Functional currency is the currency of the primary economic environment in which a Company operates and is normally the currency in which the Company primarily generates and expends cash.

Transactions in foreign currencies are initially recorded by the Company at the functional currency spot rates at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognized in profit or loss in the period in which they arise.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of gain or loss on change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognized in other comprehensive income or profit or loss are also recognized in other comprehensive income or profit or loss, respectively).

Foreign exchange difference on foreign currency borrowings, settlement gain/loss and fair value gain/loss on derivative contract relating to borrowings are accounted and disclosed under finance cost. Such exchange difference does not include foreign exchange difference regarded as an adjustment to the borrowings cost and capitalised with cost of assets.

m) Income taxes

Tax expense represents the sum of current tax and deferred tax. Current and deferred tax are recognised in the Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Current tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the reporting date and includes any adjustment to tax payable in respect of previous years.

Subject to exceptions below, deferred tax is provided, using the balance sheet method, on all deductible and taxable temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes, on carry forward of unused tax credits and unused tax loss:

- deferred income tax is not recognised on the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and
- deferred tax assets are recognised only to the extent that it is more likely than not that they will be recovered.

Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Tax relating to items recognized outside profit or loss is recognised outside profit or loss (either in other comprehensive income or equity).

The carrying amount of deferred tax assets is reviewed at each reporting date and is adjusted to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

n) Segment reporting

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Company's other components, and for which discrete financial information is available. All operating segments' operating results are regularly reviewed by the Company's chief operating decision maker to make decisions about resources to be allocated to the segments and assess their performance.

o) Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average numbers of shares also includes fixed number of equity shares that are issuable on conversion of conversion of a mandatorily convertible instrument, from the date consideration is received (generally the date of their issue) of such instruments. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares except where results are anti-dilutive.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any bonus issue, bonus element in a rights issue, share split and reverse share split (consolidation of shares).

p) Provisions, contingencies and commitments

General

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognized as a separate asset but only when the reimbursement is virtually certain. The expense relating to any provision is presented in the Statement of Profit and Loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets / liabilities

Contingent assets are not recognised. However, when realisation of income is virtually certain, then the related asset is no longer a contingent asset, and is recognised as an asset.

A disclosure for contingent liabilities is made where there is-

- a) a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity; or
- b) a present obligation that arises from past events but is not recognized because:

- it is not probable that an outflow of resources embodying economic benefit will be required to settle the obligation; or
- the amount of the obligation cannot be measured with sufficient reliability.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets.

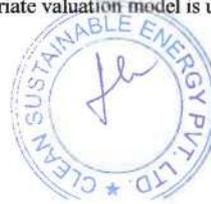

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each reporting period.

Provisions for onerous contracts are recognized when the expected benefit to be derived by the Company from a contract are lower than the unavoidable costs of meeting the future obligations under the contract.

q) Impairment of non-financial assets

Cash generating units as defined in Ind AS 36 on impairment of assets are identified at the balance sheet date. At the date of Balance Sheet, if there are any internal or external indicators of impairment, or when annual impairment testing for an asset is required and the carrying amount of the cash generating unit exceeds its recoverable amount (i.e. the higher of the fair value less costs of disposal and value in use), an impairment loss is recognized. The carrying amount is reduced to the recoverable amount and the reduction is recognized as an impairment loss in the Statement of Profit and Loss. The impairment loss recognized in the prior accounting period is reversed to the extent of increase in the estimate of recoverable amount. Post impairment, depreciation is provided on the revised carrying value of the impaired asset over its remaining useful life.

In assessing value in use, the estimated future cash flows are discounted to their present value using an appropriate discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

The Company bases its impairment calculation on most recent budgets and forecast calculations, which are prepared separately for the Company's CGUs to which the individual assets are allocated.

r) Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place

- In the principal market for the asset or liability
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

s) Events occurring after the balance sheet date

Impact of events occurring after the balance sheet date that provide additional information materially affecting the determination of the amounts relating to conditions existing at the balance sheet date are adjusted to respective assets and liabilities.

t) Retirement and other employee benefits

(i) Short-term obligations Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

(ii) Other long-term employee benefit obligations The liabilities for earned leave that are not expected to be settled wholly within 12 months are measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the discount rates for Government Securities (G-Sec) at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurement as a result of experience adjustments and changes in actuarial assumptions are recognised in the Statement of Profit and Loss.

Defined contribution plan

Eligible employees of the Company receive benefits from the Provident Fund, administered by the Government of India, which is a defined contribution plan. Both the employees and the Company make monthly contributions to the Provident Fund equal to a specified percentage of the eligible employees' salary. The Company has no further funding obligation under the Provident Fund, beyond the contributions elected or required to be made thereunder. Contributions to the Provident Fund by the Company are charged to expense in the period in which services are rendered by the covered employees.

Defined benefit plan

Employees are entitled to benefits under the Payment of Gratuity Act, 1972 ('the Gratuity Act') a defined benefit post-employment plan covering eligible employees of the Company. This plan provides for a lump-sum payment to eligible employees at retirement, death, and incapacitation or on termination of employment, of an amount based on the respective employee's salary and tenure of employment.

For defined benefit retirement plan, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Past service cost is recognised in the Statement of Profit and Loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset.

Defined benefit costs are categorised as follows: service cost (including current service cost and past service cost, as well as gains and losses on curtailments and settlements); net interest expense or income; and remeasurement. The Company presents service cost and net interest expense or income in Statement of Profit and Loss in 'Employee benefits expense'.

u) Recent Indian Accounting Standards (Ind AS)

Recent accounting pronouncements Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as below:

Ind AS 1 - Presentation of Financial Statements - This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and the impact of the amendment is insignificant in the standalone financial statements.

Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors - This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on its standalone financial statements.

Ind AS 12 - Income Taxes - This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on its standalone financial statement.

Other amendments include amendments in Ind AS 102, Share-based Payments, Ind AS 103, Business Combination, Ind AS 109, Financial Instruments, Ind AS 115, Revenue from Contract with Customers, are mainly editorial in nature in order to provide better clarification of respective Ind AS. The Company does not expect to have any significant impact in its financial statements due to these amendments.

(i) Assets charged against borrowings - Property, plant and equipment of the Company are subject to a first charge to secure the Company's borrowings, refer note 13(a).

Impairment of Property, plant and equipment :

The Company periodically evaluates whether events have occurred that would render the property, plant and equipment's carrying value not recoverable. If such circumstances arise, the Company estimates the value in use by discounting the expected future operating cash flows to determine impairment effect. During the current year, no such events have occurred that would render management to evaluate impairment, however the Company has conducted impairment evaluation on value of property, plant and equipment and estimated that there is no impairment during the period ending March 31, 2023.

	March 31, 2023	March 31, 2022
Carried at amortised cost		
Unsecured, considered good		
Claim receivable*	493.88	526.95
Term deposits with original maturity of more than 12 months**	316.08	330.44
Security deposits	0.33	0.33
Total	810.29	857.72

*During the year 2018-19, the Company had filed a petition before the Hon'ble Central Electricity Regulatory Commission ("CERC") seeking declaration of GST introduction and imposition of Safeguard Duty as a 'Change in Law' Event under Article 12 of the PPA executed between the Company and Solar Energy Corporation of India Limited ("SECI") and grant of consequential reliefs by ordering SECI to pay the compensation to the Company, including, actual money spent by the Company towards Safeguard Duty amounting to INR 739.55 Mn and GST amounting to INR 190.84 Mn.

In the year 2020-21, the Company has received a favorable order dated January 28, 2020 from CERC in which it has confirmed the claim filed by company and ordered SECI to reimburse INR 358.57 Mn w.r.t Safeguard Duty and INR 190.84 Mn w.r.t project cost increase due to GST. The Company further received order dated April 16, 2021 from CERC in which it has confirmed the balance claim w.r.t Safeguard Duty INR 380.98 Mn.

The Company also received the claim acceptance orders dated August 15, 2020 from SECI for both Safeguard duty and SGD claim. SECI committed to pay using annuity model using discount rate of 10.41 % (which is the rate of interest for loan component as per the CERC RE Tariff Order dated March 19, 2019) and accordingly annuity has been spread over a period of 13 years beginning from August 2020 (as per sub-regulation (1) of Regulation 14 of RE Tariff Regulation).

During previous year the Company received communication from SECI dated, 31 May, 2021 and a letter dated 28 January, 2022, confirming modification of the terms of annuity payment basis which the Company received lumpsum amount of INR 124.82 Mn towards safeguard duty and GST from SECI which has been adjusted against claim receivable amount. The company also recorded INR 0.78 Mn as other expenses on account of modification which is net of INR 69.81 Mn as interest cost on modification and INR 69.03 Mn interest income of annuity of current year.

The Company has recognized the upfront amount received as reduced from the claim receivable and for the remaining claim that is recoverable through annuities in future; the Company has recorded it under other financial assets as claim recoverable and corresponding liability under other liability as deferred revenue to be recognized over the PPA period of 25 years.

**Term deposit of INR 316.08 Mn (March 31, 2022: INR 330.44 Mn) are under lien for the purpose of Debt Service Reserve Account (DSRA).

Closing balance (C)	251.27	110.65
Total (A+B+C)	308.33	179.74

*Expressed in absolute - Remeasurements of post-employment benefit obligation, net of tax is INR (4,631.00) (March 2022: INR 140.00)

**Under the guidelines of Sec 71(4) of the Companies Act the Company has maintained the Debenture Redemption Reserve Account lower of 10% of the amount of remaining outstanding NCD issued or accumulated amount of retained earnings available at the end of the financial year.

The deposits created to fulfill the requirement of DSRA is also regarded as meeting the compliance of rule 18(7) of Companies (Share and Debentures) Rules, 2014 relating to creation of the Debenture Redemption Fund of 25% of the Debenture amount due to mature within the following year.

13. Non-current financial liabilities**13(a) Non-current borrowings**

Particulars	As at March 31, 2023	As at March 31, 2022
Carried at amortised cost		
Secured		
Non-convertible debentures (refer note (a) below)	3,167.30	3,280.87
Unsecured		
Loan from related parties (refer note (b) below) refer note 31 for related party	85.23	77.05
	3,252.53	3,357.92
Less: Current maturities of long term borrowings (refer note 17(a))	200.40	133.60
Total	3,052.13	3,224.32

Summary of borrowings arrangement:**(a) Non-Convertible Debenture INR 3,167.30 Mn (March 31, 2022: INR 3,280.87 Mn) net of processing charges**

On March 2, 2022 the Company has issued 3,340 secured, redeemable, rated, listed non-convertible debentures "NCD" having face value of INR 1,000,000 each at fixed coupon rate of 6.75% (effective interest rate is 7.48% (March 31, 2022: 7.48%) per annum payable quarterly, at par aggregating to INR 3,340 million on private placement basis. These NCDs will be due for maturity on February 28, 2025.

These NCDs are secured by:

- First-ranking charge by way of mortgage over the all rights, interests and title of the Company in the leasehold rights in relation to the immovable properties.
- First ranking charge over all present and future moveable fixed assets, current assets and bank accounts of the Company, assignment/ security over rights under project documents, reserves maintained by the Company in connection with the Debentures.
- First ranking security (by way of assignment/charge) over all the rights, title, interest, benefits, claims and demands under project documents,
- Exclusive pledge over up to 99.99% of the total issued and paid-up share capital of the Company and 100% of the compulsory convertible debentures.
- Unconditional and irrevocable corporate guarantee from Avaada Solarise Energy Private Limited, Avaada SataraMH Private Limited, Fermi Solarfarms Private Limited (on a joint and several basis) in favor of the debenture trustee, in accordance with the terms of the deed of guarantee.

As per the agreement with lenders, the Company has to comply with certain financial and non-financial covenant. The Company has complied with financials and material non-financial covenants.

The Management concluded to classify the loan as "current" or "non-current" based on its original repayment schedule as on the Balance Sheet date.

(b) Loan from Avaada Energy Private Limited INR 85.23 Mn (March 31, 2022 : INR 77.05 Mn)

The loan is interest-free and is repayable after compliances of loan conditions, prior approval and due satisfaction of lenders after a period of eight years from disbursement.

3(b) Lease liability

Particulars	As at March 31, 2023	As at March 31, 2022
Carried at amortised cost		
Lease Liability	65.42	60.24
Total	65.42	60.24

14. Other non-current liabilities

Particulars	As at March 31, 2023	As at March 31, 2022
Carried at amortised cost		
Deferred revenue on safeguard duty and GST (refer note 5(a))	729.26	766.48
Total	729.26	766.48

15. Deferred tax liabilities (net)

The major components of income tax expense for the years ended March 31, 2023 and March 31, 2022 are:

(a) Statement of Profit or loss**Current tax:**

Current tax on profits for the year

Adjustments in respect of current income tax of previous year

Total current tax expense

Deferred tax charge (credit):

Relating to origination and reversal of temporary differences

Total deferred tax

Tax expense reported in the statement of profit or loss

	As at March 31, 2023	As at March 31, 2022
Current tax on profits for the year	-	-
Adjustments in respect of current income tax of previous year	-	-
Total current tax expense	-	-
Relating to origination and reversal of temporary differences	50.21	14.06
Total deferred tax	50.21	14.06
Tax expense reported in the statement of profit or loss	50.21	14.06

(b) Reconciliation of tax expense and the accounting profit multiplied by India's domestic tax rate for March 31, 2023 and March 31, 2022**Accounting profit before income tax**

At India's statutory income tax rate of 25.17% (March 31, 2022, 25.17%)

Tax effect of amounts which are not deductible (taxable) in calculating taxable income:

Effect of expenses that are not deductible in determining taxable profit

Adjustments in respect of current income tax of previous year

Total adjustments

Income tax expense

Accounting profit before income tax	190.84	3.19
At India's statutory income tax rate of 25.17% (March 31, 2022, 25.17%)	48.03	0.80
Effect of expenses that are not deductible in determining taxable profit	0.36	1.86
Adjustments in respect of current income tax of previous year	1.82	11.40
Total adjustments	2.18	13.26
Income tax expense	50.21	14.06

Miscellaneous expenses	0.57	0.29
Total	73.38	61.83

*Auditor remuneration includes

Particulars	For the year ended	
	March 31, 2023	March 31, 2022
Statutory audit fee (including GST)	0.65	0.64
Fee for limited review	0.89	-
Others services	0.47	0.89
Out-of-pocket expenses	0.02	-
Total	2.03	1.53

26. Earnings per share (EPS)

Particulars	For the year ended	
	March 31, 2023	March 31, 2022
Earnings per share:		
Basic (INR)	1.41	(0.11)
Diluted (INR)	1.41	(0.11)

Basic earnings per share:

The earnings and weighted average number of equity shares used in the calculation of basic earnings per share are as follows

Particulars	For the year ended	
	March 31, 2023	March 31, 2022
Profit / (loss) for the year	140.63	(10.87)
Earnings / (loss) used in the calculation of basic earnings per share from continuing operations	140.63	(10.87)

Weighted average number of equity shares for the purposes of basic earnings per share*

10,00,10,000 10,00,10,000

*FCCD considered as equity for calculating weighted average number of equity share

Diluted earnings per share:

Particulars	For the year ended	
	March 31, 2023	March 31, 2022
Profit / (loss) for the year	140.63	(10.87)
Earnings / (loss) used in the calculation of basic and diluted earnings per share from continuing operations	140.63	(10.87)

The weighted average number of equity shares for the purposes of diluted earnings per share reconciles with the weighted average number of equity shares used in the calculation of basic earnings per share as follows:

Weighted average number of equity shares used in the calculation of basic earnings per share	10,00,10,000	10,00,10,000
Weighted average number of equity shares used in the calculation of diluted earnings per share	10,00,10,000	10,00,10,000

There is no potential equity shares that are anti-dilutive and therefore not considered for the weighted average number of equity shares for the purpose of diluted earnings per share.

17. Disclosure relating to Corporate Social Responsibility (CSR) Expenditure

As per provisions of Section 135 of the Companies Act, 2013, the Company has to spend at least 2% of the average profits of the preceding three financial years towards CSR. Accordingly, a CSR committee has been formed for carrying out the CSR activities as per Schedule VII of the Companies Act, 2013.

Particulars	For the year ended	
	March 31, 2023	March 31, 2022
(i) Amount required to be spent by the Company during the year	1.36	1.01
(ii) Amount of expenditure incurred	1.45	1.10
(iii) Shortfall at the end of the year	-	-
(iv) Total of previous years shortfall	-	-
(v) Reason for shortfall	Not applicable	Not applicable
(vi) Nature of CSR activities	Preventive healthcare	Preventive healthcare
(vii) Details of related party transactions, e.g., contribution to a trust controlled by the company in relation to CSR expenditure as per relevant Accounting Standard*	1.45	1.10
(viii) Where a provision is made with respect to a liability incurred by entering into a contractual obligation, the movements in the provision during the year	Not applicable	Not applicable

*Represents contribution to Avaada foundation a controlled trust to support the education, empowerment, health, environment and rural electrification, emphasizing more on women education and empowerment.

28. Financial Ratio

Particulars	For the year ended		% Variance
	March 31, 2023	March 31, 2022	
1 Current Ratio (in times) (Current Assets/Current Liabilities) Reasons for variance:- Investment made in mutual fund during current year resulting the increase in current ratio.	1.14	0.55	107.73%
2 Debt-Equity Ratio (in times) [Total Debt/ Equity]*	2.69	3.07	(12.52)%
3 Debt Service Coverage Ratio (in times) [(Profit after Tax excluding exceptional items + Finance Cost+ Depreciation / (Interest payment + Principal repayment)] **	1.44	1.70	(15.29)%
4 Return on Equity Ratio (in times) (Profit after tax /Average shareholder equity) Reasons for variance:- Increase of net income (PAT) has improved the return on equity ratio. During the year, finance cost is reduced resulting the increased in profit after tax. Finance cost is reduced due to reduction in the interest rate on the debenture for entire year and one time pre - payments were paid last year.	11.30%	(0.92)%	(1332.53)%
5 Inventory Turnover Ratio (Net Sales/Average inventory)***	Not applicable	Not applicable	Not applicable
6 Trade Receivable Turnover Ratio (in times) [(Revenue from operation) /Average Trade Receivable]	11.50	10.91	5.32%
7 Trade payables turnover ratio=Net credit purchases / Average Payable****	Not applicable	Not applicable	Not applicable
8 Net capital turnover ratio (Net Sales / Working capital) Reasons for variance:- Increase in ratio is due to increase in current assets, during the year Company has made the investment in mutual funds.	10.00	(3.46)	(389.14)%
9 Net Profit ratio (%) [Profit after tax/Revenue from Operations] Reasons for variance:- Increase of net income (PAT) has improved the return on equity ratio. During the year, finance cost is reduced resulting the increased in profit after tax. Finance cost is reduced due to reduction in the interest rate on the debenture for entire year and one time pre - payments were paid last year.	22.05%	(1.70)%	(1396.69)%
10 Return on Capital employed (Profit before tax+finance cost)/(Tangible net worth + Total debt* + Deferred tax liabilities)	9.10%	8.78%	3.71%
11 Return on investment = Income generated from investments / Time weighted average investments*****	Not applicable	Not applicable	Not applicable

*Total debt Includes non-current borrowing, current borrowing and lease liability.

**Interest payment and repayments represents the future interest payments and repayments of long term debt due within twelve months of the reporting date.

***Not Applicable, as the Company has only inventory of stores and spares parts. There is no inventory of finished goods.

****Not Applicable, as the company payables outstanding are for other expenses, for which no credit period is defined.

*****Not Applicable, as the Company has made short term investments (bank deposits and mutual funds) for utilising the surplus fund.

The above financial ratios measures presented may not be comparable to similarly titled measures reported by other companies.

29. Disclosure of significant accounting judgements, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Judgements, estimates and assumptions

The judgements and key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its judgements, assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Significant judgements, estimates and assumptions are as specified below:-

Useful lives of property, plant and equipment

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

Taxes

Deferred tax assets are recognised for unabsorbed tax losses, unabsorbed depreciation and all deductible temporary differences, to the extent that it is probable that future taxable profit will be available against which they can be utilised. Management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

The Company has reviewed tax losses and unabsorbed depreciation, and determined that it is probable that sufficient future taxable profits will be available against which such tax losses and unabsorbed depreciation can be utilised. Thus, the Company has recognized a corresponding deferred tax asset on the same.

Any changes in these assumptions may have an impact on the measurement of the deferred taxes in future.

Leases

The Company has taken certain land and land & building on long term lease basis. The lease agreements generally have an escalation clause and are generally non-cancellable. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company evaluates if an arrangement qualifies to be a lease as per the requirements of IND AS 116. Identification of a lease requires judgment. The Company uses judgement in assessing the lease term and the applicable discount rate. The discount rate is generally based on the incremental borrowing rate.

Fair value of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the present valuation technique. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

30. Operating segments

The Company's Board of Directors' is considered to be the chief operating decision maker in accordance with Ind AS 108. Based on the financial information reviewed by the chief operating decision maker in deciding how to allocate the resources and in assessing the performance of the Company, the Company has determined that it has a single operating and reporting segment, i.e., sale of power. The Company's principal operations are located in India. Accordingly, the Company earns its entire revenue from India. All of the Company's non current assets are located in India.

31. Related party transactions**(i) Names of related parties and related party relationship****(a) Related parties where control exists**

Compensation to key managerial personnel

No remuneration has been paid to the directors of the Company for the services received during the year ended March 31, 2023

Clean Sustainable Energy Private Limited

CIN - U40300MH2013PTC248435

Notes to financial statements for the year ended March 31, 2023

(All amounts in INR millions unless stated otherwise)

(iii) Balances outstanding at the end of the year

Particulars	Holding Company and other related party	
	As at March 31, 2023	As at March 31, 2022
Long term loan payable	124.85	124.85
Avaada Energy Private Limited*	124.85	124.85
Current borrowings	193.52	203.75
Avaada Energy Private Limited	193.32	201.32
Avaada Clean Project Private Limited	0.20	2.38
Avaada Green HNProject Private Limited	-	0.05
Trade payable	-	11.88
Avaada Energy Private Limited	-	4.22
Avaada Solar Energy Private Limited	-	7.66

*including equity component of INR 57.06 Mn (As at March 31, 2022: INR 69.09 Mn).

All the amounts payable to related parties above are unsecured and will be settled in cash.

- (iv) The Company along with three other fellow subsidiaries has issued non-convertible debentures during the previous year aggregating to INR 14,400 million, for which the Company along with other three fellow subsidiaries have provided guarantee on jointly and severally basis to the debenture trustees. The guarantee is limited to the NCDs outstanding balance as at year end. Accordingly, as at March 31, 2023, the outstanding guarantee amount is INR 10,617.60 Mn (March 31, 2022: INR 11,060 Mn) given by the Company on behalf of Avaada SataramH Private Limited, Avaada Soalrise Energy Private Limited and Fermi Solarfarms Private Limited in favour of debenture holders of the Company.

32. Gratuity and other post employment benefit plans**(a) Defined benefit plan - gratuity**

The Group has a defined benefit for gratuity. Every employee who has completed five years or more of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service. The Group provides for the liability in its books of accounts based on the actuarial valuation. The following tables summarize the components of net benefit expense recognized in the Statement of Profit and Loss and amounts recognized in the balance sheet for the respective plans.

The principal assumptions used in determining gratuity benefit obligations for the Group's plan are shown below:

	As at March 31, 2023	As at March 31, 2022
Discount rate	7.53%	7.40%
Salary increment rate	7.00%	7.00%
Retirement age Assistant Vice President and below	60 Years	60 years
Retirement age Vice President and above	60 Years	60 years
Mortality table	Indian Assured lives Mortality (2012-14)	Indian Assured lives Mortality (2012-14)

Withdrawal rates: age related and past experience

Age	% Withdrawal	
	As at March 31, 2023	As at March 31, 2022
Upto 30 year	3%	3%
Between 31 and 45 years	2%	2%
Above 45 years	1%	1%

The principal assumptions are the discount rate and salary growth rate. The discount rate is generally based upon the market yield available on the Government bonds at the accounting date with a term that matches that of the liabilities and the salary growth rate takes account of inflation, seniority, promotion and other relevant factors on long term basis.

Changes in the present value of the defined benefit obligation are as follows:

	As at March 31, 2023	As at March 31, 2022
Opening defined benefit obligation	0.07	0.06
Acquisition Adjustment	-	(0.02)
Current service cost	0.04	0.03
Interest cost*	0.01	0.00
Re-measurements	-	-
Benefits paid	-	-
Actuarial (gain) / loss**	0.01	0.00
Closing defined benefit obligation	0.13	0.07

*Expressed in absolute - Interest cost INR 5,523.00 (March 2022: INR 4,437.00)

**Expressed in absolute - Actuarial gain / (loss) INR 6,189.00 (March 2022: INR 187.00)

Balance sheet

	As at March 31, 2023	As at March 31, 2022

Fair value of plan assets	-	-
Plan asset / (liability)	(0.13)	(0.07)

Expenses recognised in Statement of Profit and Loss

	For the year ended March 31, 2023	For the year ended March 31, 2022
Interest cost***	0.01	0.00
Current service cost	0.04	0.03
Actuarial (gain) / loss	-	(0.02)
Net benefit expense	0.05	0.01

***Expressed in absolute - Interest cost INR 5,523.00 (March 2022: INR 4,437.00)

Expenses recognised in Statement of other comprehensive income

	For the year ended March 31, 2023	For the year ended March 31, 2022
Actuarial (gain) / loss	-	-
Due to change in demographic assumptions	-	-
Due to change in financial assumptions	(0.00)	(0.01)
Due to change in experience adjustments	0.01	0.01
Total expense recognised in statement of other comprehensive income#	0.01	0.00

Expressed in absolute - Total expense recognised other comprehensive income INR 6,189.00 (March 2022: INR 187.00)

A quantitative sensitivity analysis for significant assumption as at March 31, 2023 is as shown below:

Sensitivity Level	Discount rate		Salary growth rate	
	0.50% increase	0.50% decrease	0.50% increase	0.50% decrease
Increase/ (decrease) in defined benefit obligation	(0.01)	0.01	0.01	(0.01)

A quantitative sensitivity analysis for significant assumption as at March 31, 2022 is as shown below:

Sensitivity Level	Discount rate		Salary growth rate	
	0.50% increase	0.50% decrease	0.50% increase	0.50% decrease
Increase/ (decrease) in defined benefit obligation	(0.01)	0.01	0.01	(0.01)

Sensitivities due to mortality and withdrawals are not material hence impact of change due to these is not calculated. Sensitivities as to rate of increase of pensions in payment, rate of increase of pensions before retirement and life expectancy are not applicable.

The following payments are expected contributions to the defined benefit plan in future years:

	As at	As at
	March 31, 2023	March 31, 2022
Within one year ##	0.00	0.00
1-5 years	0.01	0.01
More than 5 years	0.09	-
## Expressed in absolute - Within one year INR 2,752.00 (March 2022: INR 1,125.00)		

The average duration of the defined benefit plan obligation at the end of the reporting period is 3.70 years (March 31, 2022: 2.98 years)

Description of risk exposures:

Valuations are based on certain assumptions, which are dynamic in nature and vary over time. As such Group is exposed to various risks as follows:

- Salary Increases- Actual salary increases will increase the Plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.
- Discount Rate : Increase in discount rate in subsequent valuations can increase the plan's liability.
- Mortality & disability – Actual deaths and disability cases proving lower or higher than assumed in the valuation can impact the liabilities.
- Withdrawals – Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact plan's liability.

(b) Compensated absence : The amount of the provision INR 0.11 (March 31, 2022: INR 0.07)

The principal assumptions used in determining gratuity benefit obligations for the Group's plan are shown below:

	As at	As at
	March 31, 2023	March 31, 2022
Discount rate	7.53%	7.40%
Salary increment rate	7.00%	7.00%
Leave availment rate	0.50%	0.50%
Retirement age Assistant Vice President and below	60 years	60 years
Retirement age Vice President and above	60 years	60 years
Mortality table	Indian Assured lives Mortality (2012-14)	Indian Assured lives Mortality (2012-14)

Withdrawal rates: age related and past experience

Age	% Withdrawal	
	As at	As at
	March 31, 2023	March 31, 2022
Upto 30 year	3%	3%
Between 31 and 45 years	2%	2%
Above 45 years	1%	1%

A quantitative sensitivity analysis for significant assumption as at March 31, 2023 is as shown below:

Sensitivity Level	Discount rate		Salary growth rate	
	0.50% increase	0.50% decrease	0.50% increase	0.50% decrease
Increase/ (decrease) in defined benefit obligation	(0.01)	0.01	0.01	(0.01)

A quantitative sensitivity analysis for significant assumption as at March 31, 2022 is as shown below:

Sensitivity Level	Discount rate		Salary growth rate	
	0.50% increase	0.50% decrease	0.50% increase	0.50% decrease
Increase/ (decrease) in defined benefit obligation	(0.01)	0.01	0.01	(0.01)

(c) Defined contribution plan

During the year, the Company has recognised the following amounts in the Statement of Profit and Loss

	For the year ended	For the year ended
	March 31, 2023	March 31, 2022
Employers' Contribution to Employee's Provident Fund	0.12	0.10
	0.12	0.10

33. Fair values

The carrying amounts and fair value of the Company's financial instruments, other than those with carrying amounts that are reasonable approximations of fair values:

	Note	Carrying value		Fair value	
		As at	As at	As at	As at
		March 31, 2023	March 31, 2022	March 31, 2023	March 31, 2022
Financial assets					
<i>Measured at fair value through profit and loss</i>					
Investment in mutual funds - quoted	8(a)	321.51	-	321.51	-
<i>Measured at amortised cost</i>					
Claim receivables	5(a) and 8(e)	584.55	617.66	584.55	617.66

Trade payables	17(c)	17.67	14.03	17.67	14.03
Other financial liabilities	17(d)	-	11.88	-	11.88

34. Fair value hierarchy

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities that the entity can assess at the measurement date.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

Quantitative disclosures fair value measurement hierarchy for financial assets as at March 31, 2023

	Total	Fair value measurement using		
		Quoted prices in active markets (Level 1)	Significant observable (Level 2)	Significant unobservable (Level 3)
Financial assets:				
- Investments in mutual fund	321.51	321.51	-	-

The Company does not have financial asset and financial liabilities recorded at fair value as at March 31, 2022.

35. Financial risk management objectives and policies

In its ordinary operations, the Company's activities expose it to the various types of risks, which are associated with the financial instruments and markets in which it operates. The following is the summary of the main risks:

(a) Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates (currency risk) and interest rates (interest rate risk) will affect the Company's income or value of its holding of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

(i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The capital expenditure of the company is financed by loans, the Promoters contribution / equity fund and internal proceeds. The interest bearing loans of the Company comprises of both fixed and floating rate.

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on borrowings. With all other variables held constant, the Company's profit before tax is affected on account of impact on floating rate borrowings, as follows:

	Amount of loan	Increase/(decrease) in %	Effect on profit (loss) before tax
March 31, 2023			
Non-Convertible Debenture	3,167.30		
Decrease in profit before tax on account of increase in interest cost		-1.00%	(31.67)
Increase in profit before tax on account of decrease in interest cost		1.00%	31.67
March 31, 2022			
Non-Convertible Debenture	3,280.87		
Decrease in profit before tax on account of increase in interest cost		-1.00%	(32.81)
Increase in profit before tax on account of decrease in interest cost		1.00%	32.81

(ii) Foreign currency risk

The Company is not exposed to any material foreign currency risk.

(b) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions, and other financial instruments. Management considers available reasonable and supportive forward-looking information including indicators like external credit rating (as far as available), macro-economic information (such as regulatory changes, government directives, market interest rate, etc.).

(i) Trade receivables

The Company evaluates the concentration of risk with respect to trade receivables as low as the Company primarily generates revenue from sale of power to single off taker i.e. SECI, which is the sole customer of the Company. SECI is high rated public sector undertaking with credit rating of A1+ as per ICRA Limited. As per the terms of the PPA, SECI was required to issue and maintain letter of credit facility in favour of the Company as a payment security mechanism. During the year, the Company has obtained a Letter of Credit from SECI amounting to ₹ 52.75 Mn (As at March 31, 2022: ₹ 56.93 Mn) to secure its credit risk associated with receivables.

(ii) Financial instruments and cash deposits

Credit risk is limited as the Company holds balances and deposits with banks having good credit rating issued by the domestic and international credit rating agencies.

(c) Liquidity risk

The Company manages liquidity risk by maintaining sufficient cash to meet the obligations when due. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank loans and equity shares. The Company attempts to ensure that there is a balance between the timing of outflow and inflow of funds. The Company assessed the concentration of risk with respect to refinancing its debt and concluded it to be low since company has access to a sufficient variety of sources of funding. The Company is not subject to any restrictions on the use of its capital that could significantly impact its operations. In light of these facilities, the Company is not exposed to any significant liquidity risk.

Liquidity and interest risk

The following tables summarises the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company is required to pay. The tables include both interest and principal cash flows to the extent that interest flows are floating rate, the undiscounted amount is derived from interest rate at the end of the reporting period. The contractual maturity is based on the earliest date on which the Company is required to pay.

The table below provides details regarding the contractual maturities of financial liabilities as at March 31, 2023:

Particulars	Effective interest rate (% p.a.)	Within 1 year	Between 1 and 5 years	More than 5 years	Total	Carrying amount
Variable interest rate						
Non Convertible Debenture*	7.48%	411.76	3,187.47	-	3,599.23	3,167.30
Non-Interest bearing						
Long-term loan from related parties		-	-	124.85	124.85	85.23
Lease liability		6.21	28.09	170.93	205.23	71.63
Short term borrowings		193.52	-	-	193.52	193.52
Trade payables		17.67	-	-	17.67	17.67
		629.16	3,215.56	295.78	4,140.50	3,535.35

*Includes principal and interest cash flows.

The table below provides details regarding the contractual maturities of financial liabilities as at March 31, 2022:

Particulars	Effective interest rate (% p.a.)	Within 1 year	Between 1 and 5 years	More than 5 years	Total	Carrying amount
Variable interest rate						
Non Convertible Debenture*	7.48%	355.68	3,599.23	-	3,954.91	3,280.87
Non-Interest bearing						
Long-term loan from related parties		-	-	124.85	124.85	77.05
Lease liability		6.21	28.09	170.93	205.23	64.19
Short term borrowings		203.75	-	-	203.75	203.75
Trade payables		14.03	-	-	14.03	14.03
Other financial liabilities		11.88	-	-	11.88	11.88
		591.55	3,627.32	295.78	4,514.65	3,651.77

**Includes principal and interest cash flows.

36. Capital management

The Company manages its capital to ensure that it will be able to continue as going concern while maximising the return to stakeholders through the optimisation of the debt and equity balance. The Capital structure of the Company consist of net debt (non-current borrowings and current maturities of non-current borrowings offset by cash and cash equivalents as detailed in notes below) and total equity of the company.

	As at March 31, 2023	As at March 31, 2022
Long term borrowings including current maturities of long term borrowings	3,252.53	3,357.92
Less: cash and cash equivalents (refer note 8(c))	(9.73)	(58.98)
Net debt (A)	3,242.80	3,298.94
Total Equity	1,308.43	1,179.84
Capital and net debt (B)	4,551.23	4,478.78
Gearing ratio [(A)/(B)]	71.25%	73.66%

37. Details of dues to micro and small enterprises as defined under the MSMED Act, 2006

Based on intimation received by the company from its supplier regarding their status under the Micro, Small and Medium Enterprises Development Act, 2006 the relevant information is provided below:

Particulars	As at March 31, 2023	As at March 31, 2022
a) The principal amount and the interest due thereon (to be shown separately) remaining unpaid to any supplier at the end of each accounting year.	0.93	0.46
b) The amount of interest paid by the buyer in terms of section 16 of the Micro, Small and Medium Enterprises Development Act, 2006, along with the amount of the payment made to the supplier beyond the appointed day during each accounting year;	-	-
c) The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the Micro, Small and Medium Enterprises Development Act, 2006;	-	-
d) The amount of interest accrued and remaining unpaid at the end of each accounting year; and	-	-
e) The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues above are actually paid to the small enterprise, for the purpose of disallowance of a deductible expenditure under section 23 of the Micro, Small and Medium Enterprises Development Act, 2006.	-	-
	<u>0.93</u>	<u>0.46</u>

Dues to Micro and Small Enterprises have been determined to the extent such parties have been identified on the basis of information collected by the Management. This has been relied upon by the auditors.

38. Commitments and contingencies**a) Commitments**

The Company has entered into power purchase agreements (PPA) with Solar Energy Corporation of India (SECI) for a total term of 25 years with a commitment to supply power @ INR 2.62 Kwh for the entire PPA period.

- b) The Rajasthan Renewable Energy Corporation Limited ('RRECL') has demanded, development charges of ₹ 0.10 million per MW pursuant to the Rajasthan Solar Policy, 2014. Subsequent revisions to the policy and clarifications mandates solar power developers in Rajasthan to contribute to the RREDF in cases where the solar power projects are set up for sale of power to parties other than DISCOMs of Rajasthan.

The Company have responded to RRECL that the power generated is sold to Rajasthan Urja Vikas Nigam Limited, a Rajasthan DISCOM, pursuant to power sale agreements and therefore, the Company is not liable to pay such development charges. The Company has also filed a writ petition before the Rajasthan High Court for quashing, setting aside RRECL's demand and has also obtained a legal opinion which affirms the view taken by the Company.

As of the issuance of these Financial Statements, Rajasthan High Court vide order dated July 10, 2020, has passed directions that no coercive steps shall be taken against the Company.

Based on Management assessment (including an independent legal opinion), the RREDF charges are considered as contingent liabilities for an amount INR 50 Mn (March 31, 2022: INR 40 Mn) excluding interest penalty.

- c) Pursuant to the Debenture Trust Deed entered by the Company with the Catalyst Trustee Limited ("Debenture Trustee"), the Company has given corporate guarantee amount INR 10,617.60 Mn (March 31, 2022: INR 11,060 Mn) (amount of NCD outstanding) in favour of Debenture trustee of Avaada Satarah Private Limited, Avaada Solarise Energy Private Limited and Fermi Solarfarms Private Limited (refer note 31).

There are no other contingent liability as on date of these financial statements, other than as disclosed above.

39. Other statutory information

- a) The Company does not have any Benami property, where any proceeding has been initiated or pending against the Company for holding any Benami property.
- b) The Company does not have any transactions with companies struck off.
- c) The Company does not have any charges or satisfaction which is yet to be registered with Registrar of Companies beyond the statutory period.
- d) The Company have not traded or invested in crypto currency or virtual currency during the financial year.
- e) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- f) All the lease deed of immovable properties are held in the name of the Company as at the balance sheet date.

- g) The Company have not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:
- i) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or;
 - ii) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- h) The Company have not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:
- i) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or;
 - ii) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- i) The Company does have not any such transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961).
40. **Events after the reporting period**
There are no other significant events after the end of the reporting period, which requires any adjustment or disclosure in the financial statements.
41. **Approval of financial statements**
The financial statements were approved for issue by the Board of Directors on May 25, 2023.
42. There has been no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
43. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
